

PLANE HITS FT. BRAGG CONSTRUCTION AREA

THE DAILY REGISTER'S OUTSTANDING CARRIERS were introduced Tuesday evening at the Kiwanis club meeting as the club recognized National Newspaper Week and Newspaperboy Day. Selection of three Daily Register newsboys as outstanding has become an annual feature of Newspaper Week. The carriers were presented certificates and lapel pins designating them as the honored carriers by Bill Melton, extreme right, Daily Register circulation manager. The carriers are Jerry Abby, Claud Jackson and Donald Abby.

Helen Laird Receives Praise in Switzerland For Opera Singing

We've given considerable mention at times recently to the exploits of our boys in this publication, but let's move over to the girls. One, in particular, continues to do right well.

She's Helen Laird, graduate of HTHS in 1943 who has a number of relatives here in Harrisburg. Helen's an opera singer. Last year she sang in Germany and now she is at Basel, Switzerland where she is singing in opera at the Stadt theatre.

The Swiss newspapers have been heaping praise on her following her appearance as Leonore in the opera, *Forza del Destino*, by G. Verdi. Here is some of it:

From the Sept. 20 issue of *National Zeitung*:

"At the opening of the season the attention of the public concentrated above all on the newly engaged singers, in our case especially on the casting of Leonore by the American dramatic soprano, Helen Laird. The heroine is in full possession of a beautiful and full-sounding voice. She always sings clearly and with line throughout the voice. Her acting is free and impressive without being overdone."

From the Sept. 20 *Baseler Volksblatt*:

"Among the singers we first must speak of Helen Laird, to whom the most productive role of Leonore was given. The artist, who possesses a very beautiful and carrying voice, and which she leads in rich modulation, grew entirely into her role and moved one, especially in the prayer scene, with real heart-touching singing."

From the Sept. 24 *Baseler Woche*:

"The new dramatic soprano, Helen Laird, gave proof of her abilities by far the best. The young American singer, who masters the German language with astonishing security, genuinely convinced us with her Leonore. She combines a well-educated voice... with a real feeling for music and an enjoyable and secure talent for acting."

Miss Laird's mother, Mrs. Ted Edelman, now lives in Denver.

I made a 10 p. m. visit Monday night to the home of Earl Robb on Robinson street to see her night-blooming cactus, which was in full bloom with its beautiful white flowers and mangle and star inside.

These bloomings are rare and the neighborhood was agog. I had seen two other such flowers, several years apart. One was at the home of Mrs. Oscar Agin, the other at John Harrison's.

Mrs. Robb, who has a wonderful collection of cacti and other flowers, had this plant outside along with others. When winter comes, if it ever does, she'll take them inside.

She got this plant about a year ago from Mrs. Georgia Dempsey and this is the first time she has seen it bloom. It's a rare privilege to see one of the flowers.

Longshoremen End Short Dock Strike in N. Y.

NEW YORK — The shortest dock strike in New York history ended today when the International Longshoremen's Association accepted a compromise retroactive wage offer negotiated by federal and city mediators.

Formal acceptance of the proposal was scheduled to be made by the union's Wage Scale committee today.

The agreement was reached less than 24 hours after the strike began at 12:01 a. m. Tuesday. The strike had curtailed loading and unloading operations of such ships as the Cunard liner *Queen Mary* and the French line's *Ile de France*.

Port officials said losses caused by the strike probably would amount to a million dollars. The shutdown forced passengers of many luxury liners to trundle their own trunks and other baggage to and from their staterooms and sent the steamship lines' office workers scurrying to quays to tie up ocean liners.

The agreement calls for each dock worker to receive eight cents retroactive pay for every hour he has worked since Oct. 1, 1953. It boosts the average hourly wage of longshoremen to \$2.35. The payments will cost ship owners approximately four million dollars which must be paid immediately.

Management agreed to the wage settlement on condition strikers return immediately to work and the union begin talks on a new contract. Shippers proposed and the union agreed that there would be no strike for at least 30 days while new contract talks are in session.

Powell to Appear On Campaign TV Program Tonight

Rep. Paul Powell of Vienna, will appear tonight at 9:45 over Champaign television station, channel 3, in a program on the reapportionment proposition to be voted in the general election.

Rep. Powell, legislator from this 51st district, is minority leader of the lower house of the Illinois General Assembly. He voted in the legislature for the proposition to appear on the ballot in November on the basis that the people were entitled to vote on it, but stated that he would oppose its passage, which he has been doing.

Rep. Powell will speak on the proposition at a non-political meeting at the Court House in Harrisburg Saturday, October 16, at 7:30 p. m.

Funeral Services Held Here Today For Mrs. Karl Wise

Funeral services for Mrs. Karl Wise, former resident of Harrisburg who died Monday morning in Chicago, were held today at 2 p. m. in the chapel of the Gaskins funeral home. Rev. W. L. Cummings officiated.

The body was taken to St. Louis, Mo., after the funeral to be taken to Roswell, N. M., for burial.

Three Register Carriers are Guests at Kiwanis

Three Daily Register carrier boys, selected as outstanding among the Daily Register carriers, were guests at the Kiwanis club meeting Tuesday as the club recognized National Newspaper Week and Newspaperboy Day.

The three carriers were Donald Abby and Jerry Abby, sons of Mr. and Mrs. Ross Abby and Claud Jackson, son of Mr. and Mrs. Curran Jackson. The carriers were presented with certificates and lapel pins for outstanding performance of their duties during the past year. They were introduced to the Kiwanis club by Bill Melton, circulation manager of The Daily Register.

In introducing the outstanding carriers, it was pointed out that several factors — promptness in reporting to The Register building for their papers, lack of complaints from subscribers, courtesy, general neatness and appearance, prompt paying of accounts and others — are taken into consideration.

Fred Armistead, program speaker, told Kiwanians of his seven and a half months at the University of California, at Berkeley, from where he returned recently to assume his duties as assistant city school superintendent. He worked on his Doctor's degree during that time.

Reds Return Two Captured After Truce in Korea

Marine Pilot and
Army Private
Walk to Freedom

PANMUNJOM, Korea — The Communists today released an American Marine lieutenant colonel and an Army private who were captured by the Reds after the Korean armistice.

Eighth Army Headquarters identified the men as Marine pilot Lt. Col. Herbert A. Peters, Seattle, Wash., who was assigned to the 1st Marine Air Wing in Korea, and Pfc. Charles Julius, Orlando, Fla., member of A Battery, 196th Field Artillery Battalion.

The Marine was a pilot who was captured when he landed on a North Korean airstrip last Feb. 5 after "losing his bearings," the Communists said. He was flying an L-19 liaison plane which also was returned today.

The soldier stepped on a land mine May 25 near the demilitarized zone and was picked up by Red troops.

Both men appeared to be in good physical condition when they walked to freedom here.

They were wearing the same style blue Communist uniforms that American war prisoners wore when they were freed by the Reds during Operation "Big Switch" immediately after the armistice.

The soldier apparently had recovered from injuries suffered when he stepped on the land mine.

The Communists surprised United Nations officials earlier today at a meeting when they announced they would release the two men. The officer and private had been accused by the Reds of being spies.

The two men were flown from Panmunjom to 8th Army headquarters in Seoul shortly after they were released.

Rear Adm. Thomas B. Brittain, senior U. N. member of the Military Armistice Commission, said the Marine flyer told him he became lost on a routine mission.

The L-19 the Marine was flying when captured was dismantled by the Reds, was packed on to two trucks and delivered to the Americans.

Newsmen and photographers were not allowed close to the men at the reception point. U. N. officials said the soldier's back and legs were scarred from the mine explosion, but he appeared in good health.

Retired Enfield Merchant Dies

Willard Kirk, 76, retired merchant of Enfield, died at his home yesterday at 5:30 p. m. The body is now at the Emmett funeral home in Enfield and funeral plans are incomplete.

Newspaper Week

Throughout your newspapers this week, you may find various references to the value of the newspaper to every American.

It is National Newspaper Week, and if we tend to talk about ourselves a little, we hope we may be indulged, for the newspaper which regularly devotes itself to bring news and the interpretation of news to your homes, has a message of its own.

The American newspaper occupies a unique place in the world. Its freedom to print is safeguarded by the Constitution. It has been considered from the beginnings of our Republic and from even before that—an essential instrument in the lives of the American people.

Its basic purpose has been and always will be the same: To tell the happenings of the day. And it is permitted under the Constitution to tell the happenings of the day, not because it has a particular license as a business institution in the life of the nation, but because the people of our nation have the right to know what is going on.

That is the premise on which The Daily Register operates—the people have the right to know what is going on. They have the right to know the good things that are going on, the bad things, the things that you and others are doing, the things your elected and appointed governmental officials are doing.

You may, and undoubtedly do, on occasion become discouraged with our publication, or even become angry with it. You may accuse us of meddling, of printing news that is no concern of ours, of printing news, especially of law violations, that bring grief to families and reproach to wrong doers.

We do not like to print many items that appear in The Register. We are pressured to leave them out of the paper, and it would be easy to do so, but eventually, if we left out everything that everyone says, "don't print," we wouldn't print much of anything.

And you wouldn't know what is going on, wouldn't know of things that are of importance to you, of things that you are entitled to know.

So, while we are a private institution, operated for profit, our newspaper has a responsibility to you to tell you what you are entitled to know.

This is our message to you during National Newspaper Week:

1—We do not make the news, we only print it.
2—Under our Constitution, you have the right to know, a right that cannot be abridged, and you have the right to expect your newspaper to tell you what is going on.

How to Put Out Oil Blaze Demonstrated

OIL FIRE EXTINGUISHMENT DEMONSTRATION in progress yesterday afternoon at the New York Central roundhouse. This scene shows M. J. Ward of Indianapolis, N.Y. fire protection engineer, showing local employees how to extinguish an oil fire by using a fog spray. Mr. Ward explained that with the advent of the diesel locomotive, knowledge of how to put out an oil fire is essential. Diesel fuel oil, mixed with a little gasoline for the purpose of quick combustion, was poured into metal oil pans and ignited. First Lawrence Logsdon, assistant chief of the Harrisburg fire department, demonstrated how to extinguish a fire by using an extinguisher containing the dry powder under pressure. Then with Chief Ray Johnson operating the fire apparatus, Ward used the fog to halt the blaze. Mr. Ward said that in both types of extinguishment oxygen was excluded from the fire and the fog chilled down the combustion point of the oil. The dangers of backfire—the renewal of a fire after the blaze was extinguished because of the heat from the surrounding meal—was demonstrated. Yesterday's demonstration was cut short by a cloudburst which hit the roundhouse area but which did not get to the uptown area.

Top Crime Buster to Assist Grand Jury Probe of Housing Scandals

WASHINGTON — A top Justice Department crime buster to day was named to assist in the federal grand jury investigation here into the multi-million dollar housing scandals.

The veteran attorney is Max H. Goldschein, a special assistant to Atty. Gen. Herbert Brownell Jr. His appointment was announced by Brownell shortly after Clyde L. Powell, ousted Federal Housing Administration official was scheduled to go before the grand jury.

Powell, called before the Senate Banking Committee Tuesday, invoked the Fifth Amendment to refuse to testify about his affairs.

Powell's Bets Reported

The committee, which is investigating nationwide housing scandals, received testimony that Powell for a long period bet \$100-a-day with gamblers on the horses and deposited \$138,000 more than his government salary of \$75,793 in the 10-year period before he was fired last April.

Goldschein, who has been handling grand jury investigations into crime and corruption in various cities since 1943, also will coordinate the grand jury investigation here with grand jury investigations in other cities.

Goldschein only recently completed a long grand jury investigation into labor racketeering in St. Louis. His inquiry resulted in several indictments and convictions.

Brownell also said that a new unit has been created in the Justice Department's criminal division "in order to speed handling of the vast amount of investigatory material recently referred to the division" in connection with the housing scandals.

Fraud Cases Mount

Asst. Atty. Gen. Warren Olney III, head of the criminal division, said the number of cases involving fraud are being referred to the department at a rate of from 10 to 15 daily. In addition, he said, the FBI has been referring to the Justice Department "packages of gratuity allegations" involving FHA personnel.

Meanwhile, the Senate Banking Committee called New York builders to account for unexplained cash payments in connection with the scandals.

Castle Rules Hamilton County GOP Cannot Fill Vacancy on Ballot

SPRINGFIELD — It's too late for Hamilton county Republicans to fill a vacancy on the GOP ticket for county judge, Atty. Gen. Latham Castle held today.

Castle said the vacancy caused by the death of the candidate, George Hogan of McLeansboro, Oct. 1 can't be filled now because there aren't 45 days left before the Nov. 2 election, as required by law.

If the dead candidate should win the election, Castle said, then the office of county judge would be vacant, to be filled by normal legal procedures. Castle issued the opinion at the request of Saline County State's Atty. Glen O. Jones.

Register Classified Ads Seek to Locate Former Local Man

Are some Harrisburg born and reared people missing out on a fortune? A few days ago the heirs of Alsey H. Hamilton and his mother, Elizabeth Hamilton Summers, or Somers were sought, and today Daily Register classifieds try to locate Kenneth Johnson, who grew up in Harrisburg.

Another lost article recovered by Daily Register classifieds made very happy Tuesday Mrs. Cecelia Shetter, whose children baby sat, sold papers and set pin curls to raise money about ten years ago to buy a lapel watch which they presented to her.

She lost it ten days ago on the Kroger parking lot, and Wendell Carrier, who found the watch, returned it to her Tuesday.

Plan to Distribute Food to Families Of Jobless Miners

CHICAGO — Welfare officials from five southern Illinois counties will meet in West Frankfort Monday to plan food distribution to the families of unemployed miners.

The meeting was announced Tuesday at a meeting of labor and government officials.

Hugh White, president of District 12 of the United Mine Workers, said the closing of 10 mines during the last two years has put 8,750 miners out of work, 5,000 of them in the five-county area.

The counties are Franklin, Williamson, Saline, Hardin and Perry. Officials said the food would come from federal surplus commodity stocks.

County welfare officials will be asked to assume the cost of distribution and to determine eligible families, the officials said.

Eisenhower and Nixon to Join in GOP Pep Talks

WASHINGTON — President Eisenhower and Republican leaders across the nation will join Friday in an "all out" drive to recruit thousands of new party workers and pump more enthusiasm into the GOP election campaign.

Mr. Eisenhower and Vice President Richard M. Nixon will deliver radio-TV pep talks from Denver in what the White House bills as the "most important single event in the Republican campaign."

"National Precinct Day," as it is called, also will feature a nationwide "dawn to dusk" recruiting drive for party workers, local rallies, caucuses and clambakes, and a top level GOP strategy meeting at the vacation White House in Denver.

"This election will be won by knocking on your neighbor's door," said National GOP Chairman Leonard W. Hall in a message to party workers.

"National Precinct Day sets the stage for two vital goals; recruiting workers who will help us get out again the 34,000,000 voters who selected President Eisenhower in 1952 and signing up in Republican ranks the 5,000,000 voters who failed to cast their ballots for congressional candidates of either party in 1952."

Robert Humphreys, national campaign director, said the idea for the precinct organizational drive came from the National Federation of Republican Women. The aim is to overcome party apathy, generate more enthusiasm, and heal splits in party ranks.

Killed Near Salem

SALEM, Ill. — Edward E. Rudolph Jr., 56, Columbia, Mo., was killed in a two-car collision east of here Tuesday night, state police said.

Ralph W. Robinson, 34, Mitchell, Ind., was driving the other car but officers had not determined how the accident happened.

At Least Two Persons Dead, 12 Are Injured

C119 Crashes
After Takeoff
From Pope AFB

FT. BRAGG, N. C. — An Air Force C119 courier plane with 12 men aboard crashed as an engine exploded while the pilot fought to make an emergency landing today in a barracks construction area here.

At least two are known dead and 10 were injured.

(In Washington the Army announced that four were dead and 10 critically injured in the crash but that report could not be confirmed here.)

Pope Air Force Base said two were dead, two critically injured and 10 others hospitalized.

On the basis of "positively verified" information, Pope AFB spokesmen said there were seven Army men aboard, a crew of five and two civilian workmen on the ground involved in the casualty figures.

The big, two-engine plane barely had started climbing and was only about two miles from the runway at nearby Pope AFB when it banked sharply.

An eyewitness said the left engine was afire and the pilot apparently tried to bring the plane down on a wide street between a high embankment in the midst of the construction area. He said it hit the two power poles, snapping electric wires, and hit a row of "metal cans."

The flaming engine exploded, eyewitnesses said. Two men were thrown out of the plane when the explosion occurred and were killed. Wreckage was strewn over a wide area.

A hero of the crash was Pvt. Gerald E. Wilson, 22, Mt. Joy, Pa., a member of the Medical Co., 325th Airborne Infantry Rgt. Wilson, who was aboard the plane, got out safely but went back into the ship at the risk of his life to assist in rescue work.

Wilson was rushed to the base hospital but doctors said he appeared in "good condition."

There were no troops stationed in today's crash area which occurred shortly after 10 a. m. one-half mile from Snake Bomb Hill where a Flying Boxcar crashed last month.

The plane dived through power lines and careened into a new division barracks area being built to house 20,000 men. It missed all of the buildings.

A wing of the plane apparently hit a fire plug as it neared the ground, swinging the ship around. It was ripped apart in the midst of the construction area. Wings were crumpled and engines gouged out.

A workman at the project, F. M. Sweatt, said he believed an engine of the plane was afire but little of the wreckage was burned. Much of the big ship was covered with sand as it plowed into a sandy area.

Last March 30, a C119 "Flying Boxcar" smashed into a mess hall in a troop area here killing seven men, including two soldiers in the mess hall.

On Nov. 17, 1953, a Flying Boxcar with a load of paratroopers slashed through a mass paratroop drill here and crashed, killing 15 men.

Rainfall Here Totals .64 Inch

Rainfall at the Pankey Branch pumping station gauge east of Harrisburg measured .64 inch between 7 a. m. yesterday and 7 a. m. today, Harrison Kibler reported. The fall at Galatia was .80 during the same period.

This precipitation enabled the city water department to resume pumping from the Congo station this morning, Superintendent Amos Doom reported.

Congo pumped for 45 hours starting Sunday, then shut down for lack of water before this morning's resumption. Doom said during the 45-hour period the north reservoir level was raised approximately six inches. However, there still is considerable land showing above the water in spots.

The Weather

ILLINOIS: Frost warning extreme northwestern Illinois. Fair north and fair to partly cloudy south tonight. A little cooler to night with scattered frost extreme northwest portion and near the Wisconsin border away from Lake Michigan tonight. Thursday partly cloudy and cool. Low tonight 45-50 extreme south. High Thursday 60-65 south.

BIBLE THOUGHT FOR TODAY

Speak to the children of Israel that they go forward. — Exodus 14:15.

They have been going forward ever since. That is the great message of the Bible. Confucius taught his disciples to walk in the footsteps of the fathers. The Bible teaches to start where our fathers left off.

Fire Prevention Is Your Job—Keep Your Eyes Open

Illustrations and text for fire prevention tips:

- DON'T** overload electrical circuits. Many fires start from short circuits.
- DON'T** ever leave matches where children can find them. Put them out of reach.
- DO** have the fire department's phone number on hand at your telephone.
- DON'T** accumulate junk that makes it easy for fire to start in your attic.
- DO** keep oily waste in metal container. Beware spontaneous combustion.
- DON'T** burn debris outdoors except on still, damp days. Sparks can mean disaster.
- DO** use proper fuses for electrical circuits. Never use substitute for fuse.
- DO** put out cigarettes. Cigarettes start one out of every four fires.

The WASHINGTON MERRY-GO-ROUND By DREW PEARSON

DREW PEARSON Says: U. S. Backs Revolutionary Liberal Regime in Bolivia; Bolivia Land Reforms May Set Pattern For Latin America; What Happens To Bolivian Tin Affects Every American Housewife.

LA PAZ, Bolivia. — Sen. Allen Frear of Delaware was attending an official dinner party in Bolivia not long after the National Revolutionary Government of President Paz Estenssoro had put across its sweeping land reforms.

"Mr. President," asked the Delaware senator, who happens to be a farm co-op leader and farm banker, "what about this Socialist program you've started to divide up the land?"

"I have found," replied President Paz, "that the best way to combat communism is to give each man some land of his own. A man who owns land doesn't become a Communist."

And the president continued with such an eloquent explanation of his reform of Bolivia's feudal land system that Senator Frear remarked: "I withdraw my question."

The point that Senator Frear explored was what makes Bolivia the most important country in Latin America right now. For what happens to Bolivia's plan of dividing up the huge landholdings among hitherto landless Indians may set a pattern for other South American countries. It may set a pattern first for Peru and Ecuador, which, like Bolivia, have large Indian populations. And it may set a pattern for countries like Venezuela and Colombia, which have small but unequal economic opportunity that tends toward communism and makes some governments sit on keels of dynamite.

If, on the other hand, the Bolivian experiment fails, communism is almost certain to engulf that nation—a nation which is our only important source of tin outside communist, threatened southern Asia. Nothing, of course, could release Moscow more than to have the tin areas of both southeast Asia and Bolivia come under Communist control.

All of which is why what happens in Bolivia is vital to every American, and why Senate delegations, plus assistant Secretary of State Holland, are visiting Bolivia today. It is also why I am reporting from that country now.

TIN BARONS RULED

To get the true picture of what's happening you have to go back to the days when Bolivia was controlled by three great tin barons and 1,000 ruling families. Of the tin barons, only one, Aramayo, was Bolivian; one, Porco, was German; and the third, Simon Patiño, became the second wealthiest man in the world, took up residence in France, and until his death watched his grandchildren win headlines with their international divorce and custody brawls.

In contrast, 99 per cent of Bolivia's population is Indian, cannot read or write, and lived under a feudal system whereby they were required to spend three to five days a week working on their landlord's hacienda in return for the right to cultivate a patch of corn and potatoes. The Indian was paid no wage, nor was his wife, who was required to work as a servant in the home of his landlord. It was a system of peonage pure and simple.

And while Bolivia's first thousand families sent their sons to Oxford and Harvard, they sent their Indian tenants on occasion from Cochabamba to La Paz, a distance of 300 miles, merely to mail a letter.

Furthermore, out of Bolivia's near 4,000,000 population, only 140,000—chiefly the property owners—were permitted to vote.

Against this backdrop of Bolivian history it is easy to understand why Bolivia has experienced approximately 129 revolutions in her 129 years of history and why in a

Jack Webb and Ben Alexander question a suspect in this scene from Warner Bros. "Dragnet," in WarnerColor, to show at the Orpheum Wednesday, Thursday, Friday and Saturday.

Nude GI Found Under Bed in Girl's Dorm

CHICAGO — Just on a hunch, the house mother of a girl's dormitory peeked under her bed. She found a startled young soldier, naked from the ankles up.

Cpl. Clayton J. Thomas, 22, was at least partially in uniform—he had his shoes and socks on.

Questioned about the episode Tuesday, he confessed it was all very confusing.

"Why it's incredible," he told Judge Oscar Caplan. "I can't believe I'd do a thing like that."

The house mother, Miss Vivian Adell, 45, was at least able to relate how she and Thomas came to meet.

She was going to bed in the North Park College girl's dormitory Sunday night, she said, "when I just had a feeling that everything was not right."

There was a trail of mud on the floor leading to her bed, she said. "As I pulled up the spread to peer beneath, a hand reached up and pulled it back again," she said. "I took a firmer hold and yanked the bedspread back."

There was Thomas.

The startled soldier, not stopping to introduce himself, leaped from a first floor window and ran off into the night.

He was identified by the clothes he left behind him under Miss Adell's bed and was found later sleeping in his cot.

Thomas, a Brunswick, Md., native stationed at an anti-aircraft battery here, said he couldn't remember what happened Sunday night after he downed a drink in a tavern.

He was sent to the county jail to work off a \$106 disorderly conduct fine at \$2 a day.

Activities Show Good Work by Salvation Army

"With the annual Salvation Army drive now in full swing it might be well for the public to look at the last activities report of the Harrisburg post to see the good work it is doing," Robert Rushing, campaign chairman, declared today.

"By looking at this report, people can see why it is necessary for the quota of \$5,000 to be met. Money is needed to carry on the good work the Salvation Army unit is doing."

Rushing broke down the last annual report for the period July 5, 1953, to June 27, 1954.

During the fiscal year 166 indoor services were held with attendance of 3,224. The officers also held seven street services, spent 480 hours in visitation and visited 575 homes.

Children were not neglected, either. A total of 233 religious, educational and recreational classes were held with a total attendance of 4,043. There also were 254 playground sessions with an attendance of 6,692.

Under social welfare work, the local officers supplied 185 lodgings to transients and homeless persons, giving the homeless 185 meals.

Also given were 107 grocery orders, 26 fuel orders, 1,704 garments and pairs of shoes and nine cash relief orders.

At Christmas time the Army gave 230 families baskets of groceries and gave out 100 toys to children who otherwise would have received none.

Carpentier Thanks Register, Endorses Newspaper Week

Secretary of State Charles F. Carpentier, in the following letter to Curtis G. Small, editor of The Daily Register, thanks the Register for the cooperation he has received from the newspaper, and endorses a week set aside to pay tribute to newspapers. National Newspaper week is observed Oct. 1-8. The letter follows:

Mr. Curtis G. Small, Editor, Harrisburg Register, Harrisburg, Illinois

Dear Curtis: As National Newspaper Week approaches, I want to express again my hearty endorsement of the practice of setting aside one week each year to pay tribute to our newspapers.

Too often, people come to take their newspapers for granted, forgetting the essential services which they provide. Residents of cities which have been without newspapers for a brief period have quickly and uncomfortably learned what large void suddenly appears in their lives when the service is suspended.

I cannot word too warmly my appreciation for the cooperation you have given me and my office,

Limerick President Receives Award from National Association

Bill Brown, manager of the Limerick Finance office at 113 North Main street here in Harrisburg, announced today that Richard E. Meier, president of the loan and financing firm, had received the Distinguished Service award from the National Consumer Finance association.

The presentation was made to Mr. Meier at the 40th annual convention of the association held this month in San Francisco, according to Brown.

The Limerick president has been a member of the association's Board of Directors and its Executive committee since 1946, and has served as chairman of the Public Relations committee. In 1951 he was elected vice president of the association and was elevated to the presidency in 1952, Brown stated.

LOSE WEIGHT Rennel Recipe

CLINTON, ILL. "I am so much better in so many ways since taking Rennel Concentrate for reducing. In addition to reducing this home recipe has made me look and feel younger. I am not nervous while taking Rennel. I am 74 years of age and find the mild laxative effect of Rennel is helpful. I don't ever want to be without Rennel." So writes Kathryn Burr of 1009 N. Center St.

Rennel has been proven and is endorsed by your neighbors. \$1.40 trial size or \$2.50 regular economy size available at your druggists. Ask for free booklet. Manufacturer will refund if you're not satisfied with results from first bottle. RU-45

The First!

Phillips 66 brings you the first All-Weather Motor Oil which has proved it meets the most exacting standard ever established for automobile lubrication ...

Mil-0-2104, Supplement 1 level.

Illustration of a car and a can of Phillips 66 Trop-Artic motor oil.

Trop-Artic THE ALL WEATHER MOTOR OIL

The toughest standard ever set up for automobile lubrication is the Mil-0-2104 Supplement 1 test. New Trop-Artic is the first all-weather motor oil to meet the requirements of this test. It is an oil which will serve you winter and summer ... an oil so good it can double the life of an automobile engine!

Compared to ordinary motor oils, new Trop-Artic reduces ring wear 40% or more. It cuts oil consumption 15% to 45%. It keeps pistons and bearings cleaner ... longer-lasting. It saves you money by increasing gasoline mileage. This has been demonstrated in tests representing over 150,000 miles of driving.

Any car, in any climate, at any time of the year will perform better with Phillips 66 Trop-Artic. It is a worthy companion product to Phillips 66 FLITE-FULL, the new high performance gasoline recently introduced by Phillips. It pays to stop at the station where you see the Phillips 66 Shield.

Infant Rushed to Hospital After Choking on Carrot

ST. LOUIS — Karlene Kay Fish, 15-month-old daughter of Mr. and Mrs. Arthur J. Fish, Effingham, Ill., rested today at St. Louis Children's Hospital after choking on a carrot Tuesday.

Karlene first was rushed to the family doctor in Effingham, who revived the child after she stopped breathing, and he flew the mother and baby to St. Louis in his private plane.

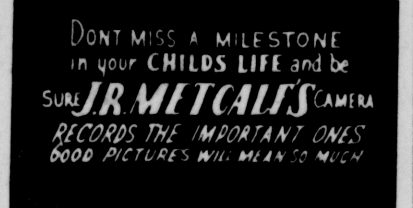

Physicians said the carrot, which they had decided was in the right lung, was dislodged by the baby's movements and coughing on the x-ray table.

Crash Lands Jet In Alfalfa Field

DAKOTA CITY, Neb., Oct. 6 — Second Lt. Kenneth Whittemore, 24, successfully crash-landed his burning F84 Sabre jet on an alfalfa field, four miles south of here this morning and escaped without injury.

Whittemore said he left the Sioux City Air Force Base about 10 minutes before the landing for a routine training flight.

He said when he noticed the plane afire he couldn't do anything but ride the plane down. The plane passed under electric lines about a mile from the point of the landing and skidded about 1,200 feet on a soybean field before coming to rest on an alfalfa field on the Jim Heffernan farm.

Methodist Youth Study Course To Begin Tonight

"The Fellowship of Christian Truth"—a 13-week study course especially designed for Methodist and Methodist preference youths as a training school—will commence tonight at 6:30.

The one-hour class sessions will be held at Junior high school each Wednesday evening. Following tonight's opening session, a recreational and refreshment hour is planned. Youth of the community without a church home are invited to enroll.

Mrs. L. N. Davenport, Methodist youth director, is in charge of the school and is being assisted by some twenty adult members of the church who will serve as teachers and workers.

Youth will be divided into three age groups—pre-high school, high school and post high school. The study courses will include such subjects as Faith Prayer, The Holy Trinity, Jesus Christ, World Outlook, The Bible, and Dedication.

17 IC Freight Cars Derailed

BLOOMINGTON, Ill., Oct. 6 — Seventeen cars of a northbound Illinois Central freight train were derailed today after the train was struck by a car at a crossing on the city's Southeast Side.

Authorities said the train apparently was knocked into a switch. The wreck tied up two tracks and officials said it might take several hours to clear it up. Frank Claycomb, 17, Bloomington, driver of the car, was the only person reported injured. He was taken to St. Joseph's Hospital, where his condition was not believed critical.

The cars derailed consisted of 16 coal cars and one banana car. The IC sent a wrecker from Champaign and the Gulf, Mobile & Ohio offered a wrecker from Bloomington. The railroad hoped to have one track of the freight line open by late today.

Dies While Registering Voters

JONESBORO, Ill., Oct. 6 — Silas W. Corzine, 74, died of a heart attack Tuesday while registering voters at Balem, a Union County corner's jury ruled today.

All work is as seed sown; it grows and spreads and sows itself anew.

—Thomas Carlyle

CIO Charges Eisenhower's Economic Program a 'Fizzle'

WASHINGTON, Oct. 6 — The CIO charged today that President Eisenhower's economic program has been "a complete fizzle" and predicted it will be "a major issue" in the November congressional elections.

The CIO executive committee wound up its meeting here with that statement.

Earlier, the CIO labelled an administration study group "manifestly incompetent" to recommend that unions be made subject to anti-trust laws.

Guards Strike At Indiana State Prison

MICHIGAN CITY, Ind., Oct. 6 — Guards at the Indiana State Prison went on strike today.

National Guardsmen were poised to take over the policing of 2,300 maximum security convicts.

The walkout started ahead of schedule as the night shift came off at midnight. Prison officials said there were no convict disturbances following the strike.

Union leaders said prison officials demanded that the guards sign cards pledging their loyalty "to the state of Indiana." Those who refused were fired, union officials said, and the strike got underway.

The guards had originally planned to strike later today to back up demands that the state recognize their union and discuss wages, hours and working conditions.

About 20 pickets began marching around the big gray prison and state police were rushed to prevent any outbreaks.

Inside the prison walls, the union kept about 35 men on duty to prevent any convict attempt at a break. About an equal number of guards had signed the "loyalty" cards and stayed on duty, a union spokesman said.

The guards have warned that many "lifers" would riot if National Guardsmen enter the walls. Nevertheless, 50 handicapped guardsmen were on duty at the Gary, Ind., armory, only 20 miles away, ready to rush to Michigan City if they are needed.

The guards at Gary carried out riot drills with rifles in preparation for the walkout Tuesday.

A sympathy walkout was threatened meanwhile at the nearby state reformatory at Pendleton, where 2,150 younger convicts and minimum security prisoners are housed. However union officials said such a strike would not be authorized.

Israel Offers Peace Program

UNITED NATIONS, N. Y., Oct. 6 — Israel proposed to her Arab neighbors today a double-barrelled program for restoring peace to the Holy Land.

Israeli Ambassador Abba S. Eban told the United Nations General Assembly that the first step should be a series of non-aggression agreements to be followed by permanent peace treaties.

India's V. K. Krishna Menon,

Rules for HTHS Fire Prevention Essay Contest

Rules for the National Fire Prevention Week essay contest sponsored annually for the last seven years by Roberson-Ghent, local insurance and bond brokers, were announced today for the English department of the Harrisburg Township high school by Miss Velma Ogg.

The English department in charge of the contest has established rules for the contest and will select the best 20 essays. Judges for selecting the winner from these 20 will be announced later by the sponsor.

This contest has a dual purpose: It gives a local student an opportunity to earn a prize and helps to make the student body and the entire community fire prevention minded.

The winner will have an option of accepting a nine month's scholarship to Southern Illinois university or a \$50.00 Series E United States savings bond.

The contest is open to all students of the Harrisburg Township high school and it would be possible for a student to win the contest four consecutive years, thereby providing complete college scholarship.

Rules of the contest:

1. Any H. T. H. S. student may participate.
2. Essay of 500-750 words.
3. Subject, any phase of fire prevention.
4. Reference material from any source may be used.
5. Essay to be submitted by letter to sponsor on or before Nov. 10, 1954.
6. To enter, secure entry number from John Schork at H. T. H. S.

Counterfeiting Trial Continued

EAST ST. LOUIS, Ill., Oct. 6 — Federal Judge Fred L. Wham Tuesday continued the counterfeiting trial of Elmer Hake, 67, of Nashville, Ill., until Friday when it is expected to end.

The defense had one more witness to testify for the former State Highway Department employee.

Wham is hearing the case without a jury.

Hake and Carl Zerse, 61, were arrested last July 1, and Secret Service agents confiscated \$8,000 in unfinished \$10 bills and engraving plates.

Zerse pleaded guilty last month and was sentenced to the Federal Medical Center at Springfield, Mo., for a two-year term.

The defense contended that Hake had no knowledge of the counterfeiting and that Zerse paid off debts to Hake with bogus bills without Hake's knowing it.

The Daily Register 25c a week by carrier boy.

No. 1 spokesman of the U. N.'s neutralists, was scheduled to wind up the assembly's general debate in the afternoon. Menon swapped places with Egypt's Dr. Mahmoud Azmi so that he could be the last speaker in the debate.

RECEIVE RECOGNITION—Three members of Local Union No. 896, Retail Clerks International Association, were given special recognition at the group's meeting Monday evening for their long terms of membership. The three—all women—are pictured here with Louie Stricklin, left, president of the local union, and Guy Price, business agent and financial secretary. Honored members are (left to right) Blanche A. Hess, Beulah T. Rice and Mary White. Their memberships date from June 1932, July 1926 and June 1934 respectively. Gifts were presented each by the executive board.

Present Officers Re-Elected By Retail Clerks

Present officers of Local No. 896, Retail Clerks International As-

sociation, were re-elected for another term at a meeting of the group Monday evening.

Those renamed to offices were Louie Stricklin, president; L. L. Gullie, vice president; Clarice Froman, 2nd vice president; Guy Price, financial secretary and business agent; Mozelle Spencer, re-

cording secretary;

Mary White, Esther Greer and Roy House, trustees; Roscoe Johnson, guard; Bertis Reed, guide; Ralph Woolard, Advocate reporter.

Sam Castellano, Murphysboro, international organizer of the union, was present at the meeting.

Stu Holcomb Is Named UP Coach of Week

By CARL LUNDQUIST
United Press Sports Writer
NEW YORK — He knows that the magic carpet which took them into the football clouds last week could become a rug of reality that may be yanked right out from under all of them this Saturday.

"Point for a team in this day and age?" he said. "Why man that is preposterous!"

That's the attitude of the United Press Coach of the Week, Stu Holcomb of those fast-gaited underdogs, the Boilermakers.

After another of those fantastic upsets, 27-14 over Notre Dame, at the time the nation's top-rated team, Holcomb has nothing but apprehension over Purdue's game Saturday against Duke.

"As for us trying to make a specialty of beating Notre Dame, I do everything I can to guard against that," he said. "It is hard to do but I've got a little more to work with this year."

I can tell you honestly, we didn't do anything to get ready for Notre Dame that we didn't do for Missouri the week before and that we won't do to get ready for Duke this week."

Holcomb, whose team was rated as strictly second division caliber in the Big Ten in pre-season calculations, said smilingly, "I think a couple of boys missed the boat on us, didn't they?"

What was the key to the victory, most notable for Purdue since it snapped the 39-game winning streak of the Irish, four years ago?

"It was our aggressive line play," he said. "We knew we had to hurry their passer, Ralph Guglielmi, and we either had him down on every pass or got him down right after he threw it. The line had a lot of tricks."

Purdue has a murderous schedule and Holcomb says flatly "If we can win six of our nine games, we ought to be national champions."

Salukis Invade Northern for IAC Tilt Saturday

CARBONDALE, Ill. — Southern Illinois university's Salukis, seeking their first 1954 win, invade Northern Illinois Saturday for an IAC battle with the Huskies.

Coach Bill O'Brien's Salukis, who dropped their IAC opener last week end 27-7 to Illinois Normal, own a 0-2 record. The Huskies defeated Beloit 18-0 to pull even with a 1-1 mark. The contest will be the first IAC encounter for Northern.

Southern's fine line, which turned outstanding performances in the first two contests, will have its hands full stopping the thrusts of the Huskies' pint-sized backfield.

The Northern ball carriers, led by sophomore Tom Skubich, who scored 12 points against Beloit, include veterans Billy Graham, Wes Luedeking, and Jim Kuntzmer. A big Huskie line, averaging almost 200 pounds, will be led by veterans Andy Halle, Rocco Fiordelisi, Ralph Krupke, Bob Schulze, and John Smith.

The Salukis may be due for a shake-up in the backfield after the poor showing of some of the starters. New throwing talent was discovered in reserve quarterback Gerry Hart. West Frankfort sophomore, who completed six of 10 tosses for 58 yards in the Normal game.

Freshman end Lou Kahlenbeck, Newton, Mass., made his debut at end, catching four passes for 40 yards. The 6-1, 180-pound youngster had been sidelined with a broken bone in his foot.

Big Bob Ems, Fisher junior, returned to his old pre-service form, blasting 54 yards in eight tries, and Joe Yusko, West Frankfort sophomore, picked up 39 yards on eight carries.

Capt. Jack Schneider, Glen Carbon junior, moved for 45 yards on nine trips.

The contest will be the 23rd renewal of a rivalry that has seen Northern win 15 times, Southern 6 and one tie.

Dodgers to Recall Joe Black

BROOKLYN — Joe Black, who pitched the Brooklyn Dodgers to a pennant in 1952 but flopped in 1953, has done well enough in the minor leagues to earn "another chance," a Dodger official said today.

The 30-year-old Negro right-hander has been told to rejoin the Dodgers at Vero Beach, Fla., next year for spring training after pitching during the past season for Montreal of the International League.

"Black's record with Montreal gives us sufficient basis to believe that he has regained the confidence which he lost here in 1953," said Dodger Vice President Fresno Thompson.

Black had a record of 12 victories and 10 defeats with Montreal—a not overpowering mark which Thompson admitted was "somewhat puzzling."

"He was either outstandingly good or very bad in every game he pitched," explained Thompson. "He never pitched a mediocre game."

Conley is Braves' First Holdout
BOSTON — Even before the Milwaukee Braves could count their profits from a record-breaking 1954 season, they definitely could count on Gene Conley being their first holdout for next season.

"Because the Braves offered me such a ridiculously low contract

DIMAGGIO IS OUT—Film star Marilyn Monroe and Joe DiMaggio, shown here at the time of their San Francisco marriage ten months ago, have separated. Marilyn's attorney said there is no hope for a reconciliation and she has filed for a divorce in California, charging mental cruelty.

Picking the Grid Winners IN THE Sport Parade

By OSCAR FRALEY
United Press Sports Writer
NEW YORK — Fraley's Follies and the weekend football "winners"—along with a few other thoughts thrown in for free.

Game of the Week
Oklahoma over Texas—This will be an earth-shaker in the Southwest and the line play should be magnificent. But the Sooners have a definite offensive edge which should make the winning difference.

The East
Notre Dame over Pitt—Grid subs are sports' real unsung heroes.

Yale over Columbia—Ted Williams will play baseball in '55.

Army over Dartmouth—Let's hope free substitution never comes back.

Penn State over Virginia—I can throw a golf club farther than any man alive.

Also: Princeton over Penn. Cornell over Harvard, Fordham over Boston University, Boston College over VMI, Brown over Rhode Island, Bucknell over Lehigh, and Colgate over Rutgers.

The Midwest
Purdue over Duke—The SPCC should investigate the Giants.

Wisconsin over Rice—Athletes who eat too much soon are ex-athletes.

Missouri over SMU—Track stars are the greatest hypochondriacs.

Ohio State over Illinois—It takes more skill to drive safely in NYC than to win the Indianapolis 500.

Also: Iowa over Michigan, Michigan State over Indiana, Minnesota over Northwestern, Kansas over Iowa State, Nebraska over Kansas State and Cincinnati over Marquette.

The South
Mississippi over Vanderbilt—I'd rather be a pauper than a catcher.

Georgia Tech over LSU—Basketball's whistle-blowing drives me crazy.

North Carolina over Georgia—Walkers "send" me more than Abbott and Costello.

Alabama over Tulsa—Al Lopez is one of the nicest guys you'll ever meet.

Also: Auburn over Kentucky, Florida State over Villanova, Maryland over Wake Forest, Tennessee over Chattanooga, W&M over North Carolina State, Florida over Clemson, Mississippi State over Tulane, Miami over Holy Cross, South Carolina over Furman and West Virginia over George Washington.

The West
UCLA over Washington — Fight managers get more for less than anybody in sports.

Southern Cal over TCU—I often wonder what happened to the "Gazelle Boy."

Stanford over Navy — There should be a national sportsmanship award.

California over Oregon—I get seasick every time I go fishing.

Also: COP over Idaho, Wyoming over Colorado Aggies, Utah over Brigham Young and Denver over Montana.

The Southwest
Arkansas over Baylor — The Yanks and Dodgers will be in the '55 series.

Texas Aggies over Houston — College cheerleaders always make me feel like an old, old man.

Also: Texas Tech over Texas Western, North Texas State over Hardin Simmons, Arizona Tempe over San Jose State and Colorado over Arizona.

Unbeaten Eagles, Benton Clash Friday Night

Undeclared Eldorado and unbeaten Benton will clash on the Benton gridiron Friday night in one of the top football games on the southern Illinois schedule.

Pre-season dopests wouldn't have figured the Eagles from Eldorado to enter their fourth game of the season unbeaten, but the Eagles have started and won three times. Victories have been taken from Anna, Metropolis and Harrisburg.

Benton was touted early as a power in local-area football circles and the Rangers have gone along according to form — even though they have once tasted defeat.

The one loss was to powerful Centralia and in defeat Benton held the high-scoring Orphans to the most respectable point spread of this early season.

Benton's victories were over Carmi 12-7 and Marion 27-6. The loss to Centralia was by a 32-13 score, a spread of 19 points. No one else has done as well, indicating that in defeat Benton still played a good ball game.

With Benton living up to advance notices, it has been a case of the Eagles pleasantly surprising their fans.

This was supposed to be the year to rebuild at Eldorado as Coach Al Adams had only seven lettermen in the group reporting for practice, and three of these boys had seen only limited service with the varsity. However these seven letter winners, plus a fine group from the 1953 freshman-sophomore squad have played championship ball to date.

The Benton team is coached by Ralph Davison, exponent of the single-wing, power type of play. Adams at Eldorado uses the T-formation, depending on quick opening line play and sleight-of-hand ball handling in the backfield.

On paper it looks like quite a ball game.

DiMaggio-Monroe Fan Clubs Sever Joint Relationships
NEW YORK — The Brooklyn chapters of the Joe DiMaggio and Marilyn Monroe fan clubs, which consolidated when the popular couple married, severed joint relationships Tuesday.

Marilyn Cancels Conference; to Return to Work

HOLLYWOOD — Marilyn Monroe abruptly cancelled a formal press conference today to discuss her divorce action against Joe DiMaggio, and announced she felt well enough to return to work.

The blonde star originally had scheduled a conference at noon today. But 20th Century Fox reported she called off the meeting because she planned to report to work on "The Seven Year Itch."

Hollywood tried to figure out the "inside" story.

The actress charged mental cruelty in the suit filed in Santa Monica Superior Court Tuesday by Atty. Jerry Giesler. Earlier she had blamed different career interests for breaking up the marriage after eight months and 13 days.

DiMaggio refused to comment on the marriage smashup.

He still is living in the couple's Beverly Hills home. Miss Monroe reportedly has secluded herself for the most part in her upstairs bedroom. DiMaggio has stayed downstairs.

Opium is derived from the white poppy.

**First Christian Loyal
Daughters Hold Meeting**

The Loyal Daughters class of the First Christian church met Tuesday evening in the fellowship hall of the church for the regular meeting.

The meeting was opened with prayer by the teacher, Miss Bess Pemberton, and the devotion was led by Mrs. Clyde Lightfoot, who talked on the subject "Gratitude."

A short business session was directed by Mrs. Gladys Parker. Cards and letters were sent to shut-ins and members away at work.

Others present were Florence Roberson, Blanche Williams, Ora Denny, Laura Rice, Marguerite Smith, Myrtle Adams, Ruth Thompson, Nancy Harris, Fern Johnson and the hostess for the evening, Mrs. Zola Y. Sloan, who served pumpkin pie and coffee.

The next meeting will be a pot-luck supper in November.

**Announce Marriage of Miss
Ruby Sheldon, Pfc. Bill Justice**

Announcement is being made of the marriage of Miss Ruby A. Sheldon, daughter of Mrs. Ethel Sheldon, and Pfc. Bill W. Justice, son of Mr. and Mrs. Morrison Justice.

The simple wedding ceremony was performed in the presence of a few relatives and friends by Rev. L. L. Gullett Sept. 21 at 7:30 p. m. at the home of the bride's parents.

Mr. and Mrs. Donald Raymer were the only attendants.

The bride is employed at the Harrisburg hospital and is living with her family at present while the bridegroom is stationed at Fort Belvoir, Va., where he will be for 18 months.

**Buena Vista Home Bureau
Unit Meets With Maxine Bell**

The members of the Buena Vista Home Bureau unit met Friday afternoon at the home of Maxine Bell. Eleven were present to learn "The Correct Use of the Sewing Machine" and "How to Garnish Meats."

Afterwards the topic reports were given by each of the officers.

Refreshments of sandwiches, Cokes and candy were served to the following: Mildred Smith, Lois Buchanan, Nell Denny, Ruth Pickford, Julia Mae Dunn, Marie Horn, Madeline Horn, Barbara McConnell and daughter, Kathy Neil, Bobby Dodd and daughter, Nancy Ann, Mary Hollerson and the hostess, Maxine Bell, and daughter, Wanda Irene.

Mrs. Eunice Reynolds of this city and her sister, Mrs. Hughie Rievely, Dudley, Mo., who had not been together for 20 years, were reunited Saturday, when Mrs. Rievely and children, Della Pearl, Retta and Bethel, came from Dudley and spent the day at the Reynolds home. Also present were their niece, Mrs. Roy Brown and children, Pauletta, Kenny and Carolyn. Galatia. The two sisters went to Galatia Sunday to spend the day at the Brown home.

**Announce Wedding at Galatia of
Miss Anita Malone and Rev. Buddy Peyton**

(Ronnie's Studio Photo)

Rev. and Mrs. Buddy Peyton

Announcement is being made of the July 11 wedding of Miss Anita Malone, daughter of Mr. and Mrs. Howard Malone, Galatia, and Rev. Buddy Peyton, son of Mr. and Mrs. Bud Peyton, Galatia. The double ring ceremony took place at 2 p. m. in the Methodist church in Galatia with the Rev. Bill Sims officiating.

The altar was adorned with baskets of white gladioli and greenery. The bride, given in marriage by her father, wore a ballerina length gown of white organdy eyellet. Her fingertip veil was secured to a crown of pearls. She carried on a white Bible a bouquet of lily of the valley.

Miss Joanne Miner was maid of honor, wearing a ballerina length gown of blue organdy and carrying a bouquet of blue carnations.

Misses Helen Phillips and Loretta Gray were bridesmaids. Miss Phillips wore an orchid organdy gown and carried a bouquet of orchid carnations, and Miss Gray wore a yellow organdy gown and carried a bouquet of yellow carnations.

Bob Deckert was best man, and Ronnie Gray, Rev. Bob Edwards, Art Hill and Gene Fletcher were ushers.

Don Grant sang "Always," "Be-Loved," and "The Lord's Prayer."

The bride's mother was dressed in powder blue with white accessories and a pink corsage of carnations.

Mrs. Peyton wore navy blue with white accessories and a corsage of white carnations.

Immediately after the wedding a reception was held in the church basement.

The couple is now at home near the Spring Grove Methodist church where the bridegroom is pastor.

**Calendar of
Meetings**

Midway I. O. O. F. lodge No. 942 will hold regular meeting Thursday at 7 p. m. Everett Estes, N. G.

The Woman's Missionary Union of the Dorrisville Baptist church will meet Thursday at 1 p. m. at the church. All members are requested to attend.

The Craighead circle of the First Baptist church will meet Thursday at 1:30 p. m. at the home of Mrs. Archie Abney, 414A West Poplar.

There will be a stated meeting of Egyptian Shrine No. 56, Order of the White Shrine of Jerusalem, Thursday at 7:30 p. m. at the Masonic temple. Orabelle Chastain, W.H.P.

The United Church women of Harrisburg will hold a business session at the home of Miss Bess Pemberton, 218 West Lincoln, Friday at 7 p. m. Every church in town is asked to have a woman representative at this meeting.

Harrisburg Pride of Arrow Rebekah lodge 234 will entertain its Past Noble Grand's Thursday evening. All members please bring a covered dish for a pot luck dinner at 6 p. m. Lola Cox, N. G.

Marriage Licenses

John Zehner, 43, East Chicago, and Linda Phillips, 48, Mt. Carmel, Leroy Wallace, 27, and Barbara Nunley, 16, both of Eldorado. W. M. Bourland, 79, Eldorado, and Mae Basham, 64, East Alton.

Births

To Mr. and Mrs. Paul Kimbro, Dorris Heights, RFD 1, a girl named Paula Sue, weighing eight pounds, six ounces, born Sept. 30 at the Harrisburg hospital. Mrs. Kimbro is the former Sylvia Patton and this is their second child.

**Wrong Piping Delays
Sea Trials of
New Atomic Submarine**

WASHINGTON — The first sea trials of the Nautilus, the new submarine with an atomic engine, will be delayed at least three months because somebody put in the wrong kind of steam piping.

**Crown Queen
At Veiled
Prophet Ball**

ST. LOUIS — Miss Barbara Anne Whittemore was crowned new Queen of Love and Beauty by his mysterious majesty, the Veiled Prophet, at the 71st Veiled Prophet Ball here Tuesday night.

Some 10,000 persons were on hand as Miss Whittemore, daughter of Mr. and Mrs. Clinton L. Whittemore Jr. of Ladue, received the platinum crown from the mythical monarch.

The coronation climaxed the time honored ball.

Tonight, weather permitting, a procession of 20 gaily colored floats will parade through the city with the Monarch of Khorassan in the lead float. He will be followed by his new queen and her maids of honor.

The floats will be based on municipal opera themes and will begin their procession at 7:05 p. m.

**Frey Asks Change
Of Venue from
Trial at Marion**

MARION, Ill. — Luther Frey, 35, Marion, awaiting trial on charges of robbery and being a habitual criminal, has asked for a change of venue and a trial separate from that of a man also indicted for the robbery.

Frey filed petitions here Tuesday seeking the changes in his trial scheduled for Oct. 18. A grand jury indicted him and Howard Lannom Sr. in May on a robbery charge and at the same time indicted Frey for being a habitual criminal.

Frey's petitions claimed he would not get a fair trial here because Williamson county residents had been prejudiced by newspaper stories about his past arrests and trials and that Circuit Judge Ross Reynolds, Vienna, was prejudiced in the case.

Frey asked he be tried apart from Lannom on grounds that he believed Lannom confessed the robbery and implicated Frey although Frey claims no knowledge of the crime.

**Hurricane Rages
Into Caribbean**

MIAMI — A hurricane with winds of 95 miles per hour raged into the Caribbean Sea with increasing intensity today on a course aimed toward the Dominican Republic and Haiti.

The whirler, eighth major tropical storm of the year, headed into open sea from waters of the Windward Islands in the eastern Caribbean at about 15 miles per hour.

A navy hurricane-hunter plane from San Juan, P. R., kept a night-long radar vigil on hurricane Hazel, named for the eighth letter of the alphabet, and was to fly into the eye of the tempest at daybreak.

The Weather Bureau at San Juan estimated its location early today at about 460 miles south-southeast of San Juan and said it was traveling a west-northwest course.

**AF to Review
Conviction of
Illinois Officer**

CHICAGO — An Air Force board has granted the state of Illinois' request to review the conviction of a lieutenant on charges of ordering a Korean civilian shot.

The Air Force Board of Review decision, revealed Tuesday, ended a long battle by Brookfield, Ill., friends of Lt. George C. Schreiber and by state officials.

The Board of Review agrees to reconsider only about one of 2,000 appeals, Illinois Atty. Gen. Latham said.

Lt. Schreiber, a popular Brookfield school teacher before the Korean war, was originally sentenced in Korea to life imprisonment on charges that he ordered military police to shoot a Korean who had trespassed into an ammunition dump.

His sentence was later changed to five years and he is now serving his term at the disciplinary barracks at Camp Cooke, Calif.

Illinois Gov. William Stratton became interested in the case following appeals from Brookfield residents. At his orders Greenville Beardsley, first assistant attorney general, was active in an appeal for review made last April 12.

Stratton also ordered Castle to serve as special defense counsel for Schreiber. Military authorities said they believed it was the first time an attorney general has acted in such a case.

Beardsley said he and Castle would go to Washington within 10 days to confer with Air Force officers and would file the state's brief Nov. 2. Oral arguments will probably begin next January, he said.

**Adult Class in
Beginning Typing to
Begin at Ridgway**

Registration for a class in Beginning Typewriting, offered by the Southern Illinois University Technical and Adult Education Division and the Ridgway high school, will be held at the high school building in Ridgway at 7 p. m. Thursday.

An adult evening class, it is being offered for persons who have had no instruction or experience in typewriter use. In the course persons will learn to operate a typewriter and type accurately, gaining a speed of at least 20 words per minute.

The class will meet each Thursday from 7 to 9:30 p. m. at the high school for 12 weeks. Tuition is \$6 plus a nominal charge for textbook material. Additional information may be obtained by calling James O. Austin, high school principal.

**Buena Vista Methodist
Loyal Workers' Class
Has Wiener Roast**

The Loyal Workers' class of the Buena Vista Methodist church recently held a meeting and wiener roast at Karel park.

The meeting opened with prayer by Mrs. Bill Hughes, and the devotion was given by the president, Mrs. A. W. Wagner.

After the business session the group enjoyed singing several songs after which they were dismissed for the wiener roast.

Present were Mrs. Tess Rogers, Mrs. A. W. Wagner, Mrs. Bill Hughes, Mrs. Gail Denny, Mr. and Mrs. Emmitt Buchanan, Mr. and Mrs. John Blue, Mr. and Mrs. Lacy Hubbard, Mrs. Harold McConnell, Mrs. Wayne Smith, Charles Lee Buchanan, Michael Blue, Kathy McConnell, Dorothy Ann, Kenneth Dale and Alice Faye Smith.

**Mr. and Mrs. Charles Dewey
Observe 56th Anniversary**

Mr. and Mrs. Charles A. Dewey, 107 East Gaskins, are observing their 56th wedding anniversary today.

They were both born and raised in Harrisburg and have one son, Aud Dewey.

Only three persons who attended their wedding are living today. They are Mrs. Dewey's brother, J. D. Weaver of Newport, Ark., her sister, Mrs. Cora Robertson, St. Louis, Mo., and B. A. Troutt of Carrier Mills.

Cocoanut cake and coffee, which was a rare treat in those days, were served at the reception following the wedding.

Mr. and Mrs. W. D. Hill of Pontiac, Mich., are vacationing with his parents in Dudley, Mo., and with her aunt, Mrs. Earl Hancock, in Carrier Mills. Mrs. Hill is the former Mary Lebo of Carrier Mills.

Mr. and Mrs. Jess J. Moore and daughter, Marilouise, and Miss Olive G. Dean of Harrisburg returned Monday evening from a week end visit in Indianapolis, Ind., with relatives, the families of Wilbur McMeins and Leroy Kielhorn. They returned by way of Brown County State Park, Ind., one of nature's beauty spots in the state. They also visited the George Rogers Clark memorial in Vincennes, Ind.

PLANE HITS FT. BRAGG CONSTRUCTION AREA

THE DAILY REGISTER'S OUTSTANDING CARRIERS were introduced Tuesday evening at the Kiwanis club meeting as the club recognized National Newspaper Week and Newspaperboy Day. Selection of three Daily Register newsmen as outstanding has become an annual feature of Newspaper Week. The carriers were presented certificates and lapel pins designating them as the honored carriers by Bill Melton, extreme right, Daily Register circulation manager. The carriers are Jerry Abby, Claud Jackson and Donald Abby.

Reds Return Two Captured After Truce in Korea

Marine Pilot and
Army Private
Walk to Freedom

PANMUNJOM, Korea (AP)—The Communists today released an American Marine lieutenant colonel and an Army private who were captured by the Reds after the Korean armistice.

Eighth Army Headquarters identified the men as Marine pilot Lt. Col. Herbert A. Peters, Seattle, Wash., who was assigned to the 1st Marine Air Wing in Korea, and Pfc. Charles Julius, Orlando, Fla., member of A Battery, 196th Field Artillery Battalion.

The Marine was a pilot who was captured when he landed on a North Korean airstrip last Feb. 5 after "losing his bearings," the Communists said. He was flying an L-19 liaison plane which also was returned today.

The soldier stepped on a land mine May 25 near the demilitarized zone and was picked up by Red troops.

Both men appeared to be in good physical condition when they walked to freedom here.

They were wearing the same style blue Communist uniforms that American war prisoners wore when they were freed by the Reds during Operation "Big Switch" immediately after the armistice.

The soldier apparently had recovered from injuries suffered when he stepped on the land mine.

The Communists surprised United Nations officials earlier today at a meeting when they announced they would release the two men. The officer and private had been accused by the Reds of being spies.

The two men were flown from Panmunjom to 8th Army headquarters in Seoul shortly after they were released.

Rear Adm. Thomas B. Brittain, senior U. N. member of the Military Armistice Commission, said the Marine flyer told him he became lost on a routine mission.

The L-19 the Marine was flying when captured was dismantled by the Reds, was packed on to two trucks and delivered to the Americans.

Newsmen and photographers were not allowed close to the men at the reception point. U. N. officials said the soldier's back and legs were scarred from the mine explosion, but he appeared in good health.

Retired Enfield Merchant Dies

Willard Kirk, 76, retired merchant of Enfield, died at his home there yesterday at 5:30 p. m.

The body is now at the Emmett funeral home in Enfield and funeral plans are incomplete.

How to Put Out Oil Blaze Demonstrated

OIL FIRE EXTINGUISHMENT DEMONSTRATION in progress yesterday afternoon at the New York Central roundhouse. This scene shows M. J. Ward of Indianapolis, N.Y. fire protection engineer, showing local employees how to extinguish an oil fire by using a fog spray. Mr. Ward explained that with the advent of the diesel locomotive, knowledge of how to put out an oil fire is essential. Diesel fuel oil, mixed with a little gasoline for the purpose of quick combustion, was poured into metal oil pans and ignited. First Lawrence Logsdon, assistant chief of the Harrisburg fire department, demonstrated how to extinguish a fire by using an extinguisher containing the dry powder under pressure. Then with Chief Ray Johnson operating the fire apparatus, Ward used the fog to halt the blaze. Mr. Ward said that in both types of extinguishment oxygen was excluded from the fire and the fog chilled down the combustion point of the oil. The dangers of backfire—the renewal of a fire after the blaze was extinguished because of the heat from the surrounding meal—was demonstrated. Yesterday's demonstration was cut short by a cloudburst which hit the roundhouse area but which did not get to the uptown area.

At Least Two Persons Dead, 12 Are Injured

C119 Crashes
After Takeoff
From Pope AFB

FT. BRAGG, N. C. (AP)—An Air Force C119 courier plane with 12 men aboard crashed as an engine exploded while the pilot fought to make an emergency landing today in a barracks construction area here.

At least two are known dead and 10 were injured.

(In Washington the Army announced that four were dead and 10 critically injured in the crash but that report could not be confirmed here.)

Pope Air Force Base said two were dead, two critically injured and 10 others hospitalized.

On the basis of "positively verified" information, Pope AFB spokesmen said there were seven Army men aboard, a crew of five and two civilian workmen on the ground involved in the casualty figures.

The big, two-engine plane barely had started climbing and was only about two miles from the runway at nearby Pope AFB when it banked sharply.

An eyewitness said the left engine was afire and the pilot apparently tried to bring the plane down on a wide street between a high embankment in the midst of the construction area. He said it hit the two power poles, snapping electric wires, and hit a row of "metal cans."

The flaming engine exploded, eyewitnesses said. Two men were thrown out of the plane when the explosion occurred and were killed. Wreckage was strewn over a wide area.

A hero of the crash was Pvt. Gerald E. Wilson, 22, Mt. Joy, Pa., a member of the Medical Co., 325th Airborne Infantry Rgt., Wilson, who was aboard the plane, got out safely but went back into the ship at the risk of his life to assist in rescue work.

Wilson was rushed to the base hospital but doctors said he appeared in "good condition."

There were no troops stationed in today's crash area which occurred shortly after 10 a. m. one-half mile from Smoke Bomb Hill where a Flying Boxcar crashed last month. The plane dived through power lines and careened into a new division barracks area being built to house 20,000 men. It missed all of the buildings.

A wing of the plane apparently hit a fire truck as it neared the ground, swinging the ship around. It was ripped apart in the midst of the construction area. Wings were crumpled and engines gouged out.

A workman at the project, F. M. Swatt, said he believed an engine of the plane was afire but little of the wreckage was burned. Much of the big ship was covered with sand as it plowed into a sandy area.

Last March 30, a C119 "Flying Boxcar" smashed into a mess hall in a troop area here killing seven men, including two soldiers in the mess hall.

On Nov. 17, 1953, a Flying Boxcar with a load of paratroopers slashed through a mass paratroop drop here and crashed, killing 15 men.

Rainfall Here Totals .64 Inch

Rainfall at the Pankey Branch pumping station gauge east of Harrisburg measured .61 inch between 7 a. m. yesterday and 7 a. m. today. Harrison Kibler reported. The fall at Galatia was .80 during the same period.

This precipitation enabled the city water department to resume pumping from the Congo station this morning. Superintendent Amos Doorn reported.

Congo pumped for 45 hours starting Sunday, then shut down for lack of water before this morning's resumption. Doorn said during the 45-hour period the north reservoir level was raised approximately six inches. However, there still is considerable land showing above the water in spots.

The Weather

ILLINOIS: Frost warning extreme northwestern Illinois. Fair north and fair to partly cloudy south tonight. A little cooler tonight with scattered frost extreme northwest and near the Wisconsin border away from Lake Michigan tonight. Thursday partly cloudy and cool. Low tonight 45-50 extreme south. High Thursday 60-65 south.

About Town And Country

By TIMOTHEUS T.

Helen Laird Receives Praise in Switzerland For Opera Singing

We've given considerable mention at times recently, to the exploits of our boys in this publication, but let's move over to the girls. One, in particular, continues to do right well.

She's Helen Laird, graduate of HTHS in 1943 who has a number of relatives here in Harrisburg. Helen's an opera singer. Last year she sang in Germany and now she is at Basel, Switzerland where she is singing in opera at the Stadt theatre.

The Swiss newspapers have been heaping praise on her following her appearance as Leonore in the opera, Forza del Destino, by G. Verdi. Here is some of it:

From the Sept. 20 issue of National Zeitung:

"At the opening of the season the attention of the public concentrated above all on the newly engaged singers, in our case especially on the casting of Leonore by the American dramatic soprano, Helen Laird. The heroine is in full possession of a beautiful and full-sounding voice. She always sings clearly and with line throughout the voice. Her acting is free and impressive without being overdone."

From the Sept. 20 Baseler Volksblatt:

"Among the singers we first must speak of Helen Laird, to whom the most productive role of Leonore was given. The artist, who possesses a very beautiful and carrying voice, and which she leads in rich modulation, grew entirely into her role and moved one, especially in the prayer scene, with real heart-touching singing."

From the Sept. 24 Baseler Woche:

"The new dramatic soprano, Helen Laird, gave proof of her abilities by far the best. The young American singer, who masters the German language with astonishing security, genuinely convinced us with her Leonore. She combines a well-educated voice... with a real feeling for music and an enjoyable and secure talent for acting."

Miss Laird's mother, Mrs. Ted Edelman, now lives in Denver.

I made a 10 p. m. visit Monday night to the home of Earl Robb on Robinson street to see her night-blooming cactus, which was in full bloom with its beautiful white flower and mangle and star inside.

These bloomings are rare and the neighborhood was agog. I had seen two other such flowers, several years apart. One was at the home of Mrs. Oscar Agin, the other at John Harrison's.

Mrs. Robb, who has a wonderful collection of cacti and other flowers, had this plant outside along with others. When winter comes, if it ever does, she'll take them inside.

She got this plant about a year ago from Mrs. Georgia Dompsey and this is the first time she has seen it bloom. It's a rare privilege to see one of the flowers.

Longshoremen End Short Dock Strike in N. Y.

NEW YORK (AP)—The shortest dock strike in New York history ended today when the International Longshoremen's Association accepted a compromise retroactive wage offer negotiated by federal and city mediators.

Formal acceptance of the proposal was scheduled to be made by the union's Wage Scale Committee today.

The agreement was reached less than 24 hours after the strike began at 12:01 a. m. Tuesday. The strike had curtailed loading and unloading operations of such ships as the Cunard liner Queen Mary and the French line's Ile de France.

Port officials said losses caused by the strike probably would amount to a million dollars. The shutdown forced passengers of many luxury liners to trundle their own trunks and other baggage to and from their staterooms and sent the steamship lines' office workers scurrying to quays to tie up ocean liners.

The agreement calls for each dock worker to receive eight cents retroactive pay for every hour he has worked since Oct. 1, 1953. It boosts the average hourly wage of longshoremen to \$2.35. The payments will cost ship owners approximately four million dollars which must be paid immediately.

Management agreed to the wage settlement on condition strikers return immediately to work and the union begin talks on a new contract. Shippers proposed and the union agreed that there would be no strike for at least 30 days while new contract talks are in session.

Powell to Appear On Campaign TV Program Tonight

Rep. Paul Powell of Vienna, will appear tonight at 9:45 over Campaign television station, channel 3, concerning the reapportionment proposition to be voted in the general election.

Rep. Powell, legislator from this 51st district, is minority leader of the lower house of the Illinois General Assembly. He voted in the legislature for the proposition to appear on the ballot in November on the basis that the people were entitled to vote on it, but stated that he would oppose its passage, which he has been doing.

Rep. Powell will speak on the proposition at a non-political meeting at the Court House in Harrisburg Saturday, October 16, at 7:30 p. m.

Funeral Services Held Here Today For Mrs. Karl Wise

Funeral services for Mrs. Karl Wise, former resident of Harrisburg who died Monday morning in Chicago, were held today at 2 p. m. in the chapel of the Gaskins funeral home. Rev. W. L. Cummins officiated.

The body was taken to St. Louis, Mo., after the funeral to be taken to Roswell, N. M., for burial.

Three Register Carriers are Guests at Kiwanis

Three Daily Register carrier boys, selected as outstanding among the Daily Register carriers, were guests at the Kiwanis club meeting Tuesday as the club recognized National Newspaper Week and Newspaperboy Day.

The three carriers were Donald Abby and Jerry Abby, sons of Mr. and Mrs. Ross Abby and Claud Jackson, son of Mr. and Mrs. Curran Jackson. The carriers were presented with certificates and lapel pins for outstanding performance of their duties during the past year. They were introduced to the Kiwanis club by Bill Melton, circulation manager of The Daily Register.

In introducing the outstanding carriers, it was pointed out that several factors—promptness in reporting to the Register building for their papers, lack of complaints from subscribers, courtesy, general neatness and appearance, prompt paying of accounts and others—are taken into consideration.

Fred Armistead, program speaker, told Kiwanians of his seven and a half months at the University of California, at Berkeley, from where he returned recently to assume his duties as assistant city school superintendent. He worked on his Doctor's degree during that time.

Newspaper Week

Throughout your newspapers this week, you may find various references to the value of the newspaper to every American.

It is National Newspaper Week, and if we tend to talk about ourselves a little, we hope we may be indulged, for the newspaper which regularly devotes itself to bring news and the interpretation of news to your homes, has a message of its own.

The American newspaper occupies a unique place in the world. Its freedom to print is safeguarded by the Constitution. It has been considered from the beginnings of our Republic and from even before that—an essential instrument in the lives of the American people.

Its basic purpose has been and always will be the same: To tell the happenings of the day. And it is permitted under the Constitution to tell the happenings of the day, not because it has a particular license as a business institution in the life of the nation, but because the people of our nation have the right to know what is going on.

That is the premise on which The Daily Register operates—the people have the right to know what is going on. They have the right to know the good things that are going on, the bad things, the things that you and others are doing, the things your elected and appointed governmental officials are doing.

You may, and undoubtedly do, on occasion become discouraged with our publication, or even become angry with it. You may accuse us of meddling, of printing news that is no concern of ours, of printing news, especially of law violations, that bring grief to families and reproach to wrong doers.

We do not like to print many items that appear in The Register. We are pressured to leave them out of the paper, and it would be easy to do so, but eventually, if we left out everything that everyone says, "don't print," we wouldn't print much of anything.

And you wouldn't know what is going on, wouldn't know of things that are of importance to you, of things that you are entitled to know.

So, while we are a private institution, operated for profit, our newspaper has a responsibility to you to tell you what you are entitled to know.

This is our message to you during National Newspaper Week:

- 1—We do not make the news, we only print it.
- 2—Under our Constitution, you have the right to know, a right that cannot be abridged, and you have the right to expect your newspaper to tell you what is going on.

Top Crime Buster to Assist Grand Jury Probe of Housing Scandals

WASHINGTON (AP)—A top Justice Department crime buster today was named to assist in the federal grand jury investigation here into the multi-million dollar housing scandals.

The veteran attorney is Max H. Goldschein, a special assistant to Atty. Gen. Herbert Brownell Jr. His appointment was announced by Brownell shortly after Clyde L. Powell, ousted Federal Housing Administration official was scheduled to go before the grand jury.

Powell, called before the Senate Banking Committee Tuesday, invoked the Fifth Amendment to refuse to testify about his affairs.

Powell's Bets Reported

The committee, which is investigating nationwide housing scandals, received testimony that Powell for a long period bet \$100-a-day with gamblers on the horses and deposited \$138,000 more than his government salary of \$75,793 in the 10-year period before he was fired last April.

Goldschein, who has been handling grand jury investigations into crime and corruption in various cities since 1943, also will coordinate the grand jury investigation here with grand jury investigations in other cities.

Goldschein only recently completed a long grand jury investigation into labor racketeering in St. Louis. His inquiry resulted in several indictments and convictions.

Brownell also said that a new unit has been created in the Justice Department's criminal division "in order to speed handling of the vast amount of investigatory material recently referred to the division" in connection with the housing scandals.

Fraud Cases Mount

Asst. Atty. Gen. Warren Olney III, head of the criminal division, said the number of cases involving fraud are being referred to the department at a rate of from 10 to 15 daily. In addition, he said, the FIA has been referring to the Justice Department "packages of gratuity allegations" involving FIA personnel.

Meanwhile, the Senate Banking Committee called New York builders to account for unexplained cash payments in connection with the scandals.

Castle Rules Hamilton County GOP Cannot Fill Vacancy on Ballot

SPRINGFIELD (AP)—It's too late for Hamilton county Republicans to fill a vacancy on the GOP ticket for county judge, Atty. Gen. LaTham Castle held today.

Castle said the vacancy caused by the death of the candidate, George Hogan of McLeansboro, Oct. 1 can't be filled now because there aren't 45 days left before the Nov. 2 election, as required by law.

If the dead candidate should win the election, Castle said, then the office of county judge would be vacant, to be filled by normal legal procedures. Castle issued the opinion at the request of Saline County State's Atty. Glen O. Jones.

Register Classified Ads Seek to Locate Former Local Man

Are some Harrisburg born and reared people missing out on a fortune? A few days ago the heirs of Alsey H. Hamilton and his mother, Elizabeth Hamilton Summers or Somers were sought, and today Daily Register classifieds try to locate Kenneth Johnson, who grew up in Harrisburg.

Another lost article recovered by Daily Register classifieds made very happy Tuesday Mrs. Cecelia Shetter, whose children baby sat, sold papers and set piniculs to raise money about ten years ago to buy a lapel watch which they presented to her.

She lost it ten days ago on the Kroger parking lot, and Wendell Garner, who found the watch, returned it to her Tuesday.

Plan to Distribute Food to Families Of Jobless Miners

CHICAGO (AP)—Welfare officials from five southern Illinois counties will meet in West Frankfort Monday to plan food distribution to the families of unemployed miners.

The meeting was announced Tuesday at a meeting of labor and government officials.

Hugh White, president of District 12 of the United Mine Workers, said the closing of 10 mines during the last two years has put 8,750 miners out of work, 5,000 of them in the five-county area.

The counties are Franklin, Williamson, Saline, Hardin and Perry. Officials said the food would come from federal surplus commodity stocks.

County welfare officials will be asked to assume the cost of distribution and to determine eligible families, the officials said.

Eisenhower and Nixon to Join in GOP Pep Talks

WASHINGTON (AP)—President Eisenhower and Republican leaders across the nation will join Friday in an "all out" drive to recruit thousands of new party workers and pump more enthusiasm into the GOP election campaign.

Mr. Eisenhower and Vice President Richard M. Nixon will deliver radio-TV pep talks from Denver in what the White House bills as the "most important single event in the Republican campaign."

"National Precinct Day," as it is called, also will feature a nationwide "dawn to dusk" recruiting drive for party workers, local rallies, caucuses and clambakes, and a top level GOP strategy meeting at the vacation White House in Denver.

"This election will be won by knocking on your neighbor's door," said National GOP Chairman Leonard W. Hall in a message to party workers.

"National Precinct Day sets the stage for two vital goals: recruiting workers who will help us get out again the 34,000,000 voters who elected President Eisenhower in 1952 and signing up in Republican ranks the 5,000,000 voters who failed to cast their ballots for congressional candidates of either party in 1952."

Robert Humphreys, national campaign director, said the idea for the precinct organizational drive came from the National Federation of Republican Women. The aim is to overcome party apathy, generate more enthusiasm, and heal splits in party ranks.

Killed Near Salem

SALEM, Ill. (AP)—Edward E. Rudolph Jr., 56, Columbia, Mo., was killed in a two-car collision east of here Tuesday night, state police said.

Ralph W. Robinson, 34, Mitchell, Ind., was driving the other car but officers had not determined how the accident happened.

BIBL. THOUGHT FOR TODAY
Spauld to the children of Israel that they go forward. — Exodus 14:15.

They have been going forward ever since. That is the great message of the Bible. Confucius taught his disciples to walk in the footsteps of the fathers. The Bible teaches to start where our fathers left off.

Venus de Milo is located at the Louvre, Paris.

The WASHINGTON MERRY-GO-ROUND
By DREW PEARSON

DREW PEARSON SAYS: U. S. Backs Revolutionary Liberal Regime in Bolivia; Bolivia Land Reforms May Set Pattern For Latin America; What Happens To Bolivian 'Tia Afecta' Every American Housewife.

LA PAZ, Bolivia — Sen. Allen J. Tamm, who was attending an official dinner party in Bolivia not long after the National Revolutionary Government of President Paz Estenssoro had put across its sweeping land reforms.

"Mr. President," asked the Delaware senator, who happens to be a farm crop leader and farm banker, "what about the Socialist program you've started to divide up the land?"

"I have found," replied President Paz, "that the best way to combat communism is to give each man some land of his own. A man who owns land doesn't become a Communist."

And the president continued with such an eloquent explanation of his system of Bolivian land reform that the Senator later remarked "it was a real eye opener."

The point that Senator Tamm expressed was what makes Bolivia the most important country in Latin America right now. For what happens in Bolivia's system of dividing up the large landholdings among small farmers, Indians and expropriated landless South American Indians, is a pattern for the rest of the continent.

In Peru and Ecuador, which, like Bolivia, have large Indian populations, and where the land is still in the hands of a few large landowners, the trend toward communism and other extreme movements is still on a very real basis.

It is not only the Bolivian government, but the Bolivian people, who are the only ones in the continent who are not Communists, but we are true revolutionaries.

As far as I could ascertain, this is a fact. The Bolivian government is vigorously anti-Communist, but it is also vigorously revolutionary.

The story of how the Eisenhower administration, a conservative regime has thrown its full weight behind this liberal, left-of-center regime, is an important one which must be reserved for a subsequent column.

Suffice it to note, at this time, however, that the Paz government has remained in power longer than any other regime in 30 years, and if it falls Bolivia is almost certain to go Communist.

Vienna Man Dies in Veterans Hospital
Arl Gray, 82, husband of Mrs. Jessie Gray, resident of Vienna, died in the Veterans Hospital in Vienna yesterday morning.

The body now lies in state at the Vienna funeral home in Vienna. The funeral will be held at 2 p. m. at the Vienna First Methodist church. Rev. J. W. A. Nelson will officiate, and burial will be in the Fraternal cemetery.

Jack Webb and Ben Alexander question a suspect in this scene from Warner Bros. "Dragnet," in which they look at the Orpheum.

Nude GI Found Under Bed in Girl's Dorm

CHICAGO — Just on a lurch, the house mother of a girl's dormitory peeked under her bed. She found a startled young soldier, naked from the ankles up.

Clayton J. Thomas, 22, was at least partially in uniform—he had his shoes and socks on.

Questioned about the episode Tuesday, he confessed it was all very confusing.

"Why it's incredible," he told Judge O. C. Caplan. "I can't believe I'd do a thing like that."

The house mother, Miss Vivian Adams, was at least able to relate how she and Thomas came to meet.

She was going to bed in the North Park College girl's dormitory Sunday night, she said, when I just had a feeling that something was not right.

There was a trail of mud on the floor leading to her bed, she said. As I pulled up the spread to peer beneath, a hand reached up and pulled it away again.

He was identified by the clothes he left behind him under Miss Adams' bed and was found later sleeping in his cot.

Thomas, a Brunswick, Md., native stationed at an anti-aircraft battery here, said he couldn't remember what happened Sunday night after he downed a drink in a bar.

He was sent to the county jail to work off a \$100 disorderly conduct fine at \$2 a day.

Activities Show Good Work by Salvation Army

"With the annual Salvation Army drive now in full swing it might be well for the public to look at the fact relative to part of the Harrisburg post to see the good work it is doing," Robert Rushing, campaign chairman, declared today.

"By looking at this report, people can see why it is necessary for the quota of \$7,000 to be met. Money is needed to carry on the good work the Salvation Army unit is doing."

Rushing broke down the last annual report for the period July 5, 1953, to June 27, 1954.

During the fiscal year 166 indoor services were held with attendance of 5,221. The officers also held 480 street services, spent 480 hours in visitation and visited 575 homes.

Children were not neglected, either. A total of 233 religious, educational and recreational classes were held with a total attendance of 4,013. There also were 254 playground sessions with an attendance of 6,692.

Under social welfare work, the local officers supplied 125 lodgings to transient and homeless persons, gave 140 meals to 163 meals.

Also given were 107 grocery orders, 25 fuel orders, 1,704 garments and pairs of shoes and nine cash relief orders.

At Christmas time the Army gave 30 families baskets of groceries and gave out 100 toys to children who otherwise would have received none.

Carpentier Thanks Register, Endorses Newspaper Week

Secretary of State, Charles F. Carpentier, in the following letter to Curtis G. Small, editor of The Daily Register, thanks The Register for the cooperation he has received from the newspaper, and endorses a week set aside to pay tribute to newspapers. National Newspaper week is observed Oct. 1-8. The letter follows:

Mr. Curtis G. Small, Editor, Harrisburg Register
Dear Curtis:

As National Newspaper Week approaches, I want to express again my hearty endorsement of the practice of setting aside one week each year to pay tribute to our newspapers.

Too often, people come to take their newspapers for granted, forgetting the essential services which they provide. Residents of cities which have been without newspapers for a brief period have quickly and uncomfortably learned what large void suddenly appears in their lives when the service is suspended.

I cannot word too warmly my appreciation for the cooperation you have given me and my office.

Sincerely,
Charles F. Carpentier
Secretary of State

Bill Brown, manager of the Limerick Finance office at 113 North Main street here in Harrisburg announced today that Richard E. Meyer, president of the loan and financing firm, had received the Distinguished Service award from the National Consumer Finance Association.

The presentation was made to Mr. Meyer at the 40th annual convention of the association held this month in San Francisco, according to Brown.

The Limerick president has been a member of the association's Board of Directors and its Executive committee since 1946, and has served as chairman of the Public Relations committee. In 1951 he was elected vice president of the association and was elevated to the presidency in 1952, Brown stated.

The Daily Register 25¢ a week by carrier boy.

The First!
Phillips 66 brings you the first All-Weather Motor Oil which has proved it meets the most exacting standard ever established for automobile lubrication ...
Mil-O-2104, Supplement 1 level.

Phillips 66 TROP-ARTIC
THE ALL-WEATHER MOTOR OIL

The toughest standard ever set up for automobile lubrication is the Mil-O-2104 Supplement 1 test. New TROP-ARTIC is the first all-weather motor oil to meet the requirements of this test. It is an oil which will serve you winter and summer ... an oil so good it can double the life of an automobile engine!

Compared to ordinary motor oils, new TROP-ARTIC reduces ring wear 40% or more. It cuts oil consumption 15% to 45%. It keeps pistons and bearings cleaner ... longer-lasting. It saves you money by increasing gasoline mileage. This has been demonstrated in tests representing over 150,000 miles of driving.

TROP-ARTIC is truly an all-weather oil ... S.A.E. 10W through S.A.E. 30. Therefore it flows instantly for easy starting at sub-zero temperatures, and yet it retains the film strength necessary to prevent engine wear under high temperature driving conditions. It isn't just heavy duty. It's double duty.

Any car, in any climate, at any time of the year will perform better with Phillips 66 TROP-ARTIC. It is a worthy companion product to Phillips 66 PLUM-FULL, the new high performance gasoline recently introduced by Phillips. It pays to stop at the station where you see the Phillips 66 Shield.

Infant Rushed to Hospital After Choking on Carrot

ST. LOUIS — Karlene Kay Fish, 15-month-old daughter of Mr. and Mrs. Arthur J. Fish, Effingham, Ill., rested today at St. Louis Children's Hospital after choking on a carrot Tuesday.

Karlene first was rushed to the family doctor in Effingham, who revived the child after she stopped breathing, and he flew the mother and baby to St. Louis in his private plane.

Physicians said the carrot, which they had decided was in the right lung, was dislodged by the baby's movements and coughing on the x-ray table.

Crash Lands Jet In Alfalfa Field

DAKOTA CITY, Neb., — Second Lt. Kenneth Whittemore, 24, successfully crash-landed his burning F84 Sabre jet on an alfalfa field, four miles south of here this morning and escaped without injury.

Whittemore said he left the Sioux City Air Force Base about 10 minutes before the landing for a routine training flight.

He said when he noticed the plane before he couldn't do anything but ride the plane down. The plane passed under electric lines about a mile from the point of the landing and skidded about 1,200 feet on a soybean field before coming to rest on an alfalfa field on the Jim Heffernan farm.

Study Course To Begin Tonight

"The Fellowship of Christian Truth"—a 13 week study course—specially designed for Methodist and Methodist preference youths as a training school—will commence tonight at 6:30.

The one-hour class sessions will be held at Junior high school each Wednesday evening. Following tonight's opening session, a recreational and refreshment hour is planned. Youth of the community with out a church home are invited to enroll.

Mrs. L. N. Davenport, Methodist youth director, is in charge of the school and is being assisted by some twenty adult members of the church who will serve as teachers and workers.

17 IC Freight Cars Derailed

BLOOMINGTON, Ill., — Seventeen freight cars of a northbound Illinois Central freight train were derailed today after the train was struck by a car at a crossing on the city's Southeast Side.

Authorities said the train apparently was knocked into a switch. The wreck took up two tracks and officials said it might take several hours to clear it up.

Frank Claycomb, 17, Bloomington, driver of the car, was the only person reported injured. He was taken to St. Joseph's Hospital where his condition was not believed critical.

The cars derailed consisted of 16 coal cars and one banana car. The IC sent a wrecker from Champaign and the Gulf, Mobile & Ohio offered a wrecker from Bloomington. The railroad hoped to have one track of the freight line open by late today.

Dies While Registering Voters

JONESBORO, Ill., — Silas W. Corzine, 74, died of a heart attack Tuesday while registering voters at Balem, a Union County coroner's jury ruled today.

All work is as seed sown in groves and swards and sows itself anew.

Guards Strike At Indiana State Prison

MICHIGAN CITY, Ind., — Guards at the Indiana State Prison went on strike today.

National Guardsmen were poised to take over the policing of 2,300 maximum security convicts.

The walkout started ahead of schedule as the night shift came out at midnight. Prison officials said there were no convict disturbances following the strike.

Union leaders said prison officials demanded that the guards sign cards pledging their loyalty to the state of Indiana. Those who refused were fired, union officials said, and the strike got underway.

The guards had originally planned to strike later today to back up demands that the state recognize their union and discuss wages, hours and working conditions.

About 20 pickets began marching around the big gray prison and state police were rushed to prevent any outbreaks.

Inside the prison walls, the union kept about 35 men on duty to prevent any convict attempt at a break. About an equal number of guards had signed the "loyalty" cards and stayed on duty, a union spokesman said.

The guards have warned that many "ifers" would riot if National Guardsmen enter the walls. Nevertheless, 50 handpicked guardsmen were on duty at the Gary, Ind., armory, only 20 miles away, ready to rush to Michigan City if they are needed.

The guards at Gary carried out riot drills with rifles in preparation for the walkout Tuesday.

A sympathy walkout was threatened meanwhile at the nearby state reformatory at Pendleton, where 2150 younger convicts and minimum security prisoners are housed. However, union officials said such a strike would not be authorized.

Israel Offers Peace Program

UNITED NATIONS, N. Y. — Israel proposed to her Arab neighbors today a double-barrelled program for restoring peace to the Holy Land.

Israeli Ambassador Abba S. Eban told the United Nations General Assembly that the first step should be a series of non-aggression agreements to be followed by permanent peace treaties.

India's V. K. Krishna Menon, No. 1 spokesman of the U. N.'s neutralists, was scheduled to wind up the assembly's general debate in the afternoon. Menon swapped places with Egypt's Dr. Mahmoud Azmi so that he could be the last speaker in the debate.

Rules for HTHS Fire Prevention Essay Contest

Rules for the National Fire Prevention Week essay contest sponsored annually for the last seven years by Roberson Ghent, local insurance and bond brokers, were announced today for the English department of the Harrisburg Township high school by Miss Velma Ogg.

The English department in charge of the contest has established rules for the contest and will select the best 20 essays. Judges for selecting the winner from these 20 will be announced later by the sponsor.

This contest has a dual purpose. It gives a local student an opportunity to earn a prize and helps to make the student body and the entire community fire prevention minded.

The winner will have an option of accepting a nine-month scholarship to Southern Illinois university or a \$50.00 Series E United States savings bond.

The contest is open to all students of the Harrisburg Township high school and it would be possible for a student to win the contest four consecutive years, thereby providing complete college scholarship.

Rules of the contest:

1. Any H. T. H. S. student may participate.
2. Essay of 500-750 words.
3. Subject, any phase of fire prevention.
4. Reference material from any source may be used.
5. Essay to be submitted by letter to sponsor on or before Nov. 10, 1951.
6. To enter, secure entry number from John Schork at H. T. H. S.

Counterfeiting Trial Continued

EAST ST. LOUIS, Ill., — Federal Judge Fred L. Wham Tuesday continued the counterfeiting trial of Elmer Hake, 67, of Nashville, Ill., until Friday when it is expected to end.

The defense had one more witness to testify for the former State Highway Department employee.

Wham is hearing the case without a jury.

Hake and Carl Zerbe, 61, were arrested last July 1, and Secret Service agents confiscated \$8,000 in unfinished \$10 bills and engraving plates.

Zerbe pleaded guilty last month and was sentenced to the Federal Medical Center at Springfield, Mo., for a two-year term.

The defense contended that Hake had no knowledge of the counterfeiting and that Zerbe paid off debts to Hake with bogus bills without Hake's knowing it.

The Daily Register 25c a week by carrier boy.

No. 1 spokesman of the U. N.'s neutralists, was scheduled to wind up the assembly's general debate in the afternoon. Menon swapped places with Egypt's Dr. Mahmoud Azmi so that he could be the last speaker in the debate.

RECEIVE RECOGNITION—Three members of Local Union No. 896, Retail Clerks International Association, were given special recognition at the group's meeting Monday evening for their long terms of membership. The three—all women—are pictured here with Louise Stricklin, left, president of the local union, and Guy Price, business agent and financial secretary. Honored members are (left to right) Blanche A. Hess, Beulah T. Rice and Mary White. Their memberships date from June 1932, July 1926 and June 1934 respectively. Gifts were presented each by the executive board. (Register Staff Photo)

Present Officers Re-Elected By Retail Clerks

Present officers of Local No. 896, Retail Clerks International Association, were re-elected for another term at a meeting of the group Monday evening.

Those renamed to offices were:

Louise Stricklin, president; Guy Price, vice president; Clarice Fro-

man, 2nd vice president; Guy Price, financial secretary and business agent; Mozelle Spencer, 16-

sation, were re-elected for another term at a meeting of the group Monday evening.

Those renamed to offices were: Sam Castellano, Murphysboro, international organizer of the union, was present at the meeting.

By CARL LUNDQUIST
United Press Sports Writer

NEW YORK (AP) — He knows that the magic carpet which took him into the football clouds last week could become a rug of reality that may be yanked right out from under all of them this Saturday.

"Point for a team in this day and age?" he said. "Why man that is preposterous!"

That's the attitude of the United Press Coach of the Week, Stu Holcomb of those fast-gaited under-rated Boilermakers.

After another of those fantastic upsets, 27-14 over Notre Dame, at the time the nation's top-rated team, Holcomb has nothing but apprehension over Purdue's game, Saturday against Duke.

"As for us trying to make a specialty of beating Notre Dame, I do everything I can to guard against that," he said. "It is hard to do but I've got a little more to work with this year."

"I can tell you honestly, we didn't do anything to get ready for Notre Dame that we didn't do for Missouri the week before and that we won't do to get ready for Duke this week."

Holcomb, whose team was rated as strictly second division caliber in the Big Ten in pre-season calculations, said smilingly, "I think a couple of boys missed the boat on us, didn't they?"

What was the key to the victory, most notable for Purdue since it snapped the 39-game winning streak of the Irish, four years ago?

"It was our aggressive line play," he said. "We knew we had to hurry their passer, Ralph Guglielmi, and we either had him down on every pass or got him down right after he threw it. The line had a lot of tricks."

Purdue has a murderous schedule and Holcomb says flatly "If we can win six of our nine games, we ought to be national champions."

Salukis Invade Northern for IAC Tilt Saturday

CARBONDALE, Ill. — Southern Illinois university's Salukis, seeking their first 1954 win, invade Northern Illinois Saturday for an IAC battle with the Huskies.

Coach Bill O'Brien's Salukis, who dropped their IAC opener last week, end 2-7 to Illinois Normal, own a 0-2 record. The Huskies defeated Beloit 18-0 to pull even with a 1-1 mark. The contest will be the first IAC encounter for Northern.

Southern's fine line, which turned outstanding performances in the first two contests, will have its hands full stopping the thrusts of the Huskies' pint-sized backfield.

The Northern ball carriers, led by sophomore Tom Skubich, who scored 12 points against Beloit, include veterans Billy Graham, Wes Luedeking, and Jim Kuntzmler. A big Huskie line, averaging almost 200 pounds, will be led by veterans Andy Hille, Rocco Fiorelissi, Ralph Krupke, Bob Schulze, and John Smith.

The Salukis may be due for a shake-up in the backfield after the poor showing of some of the starters. New throwing talent was discovered in reserve quarterback Gerry Hart, West Frankfort sophomore, who completed six of 10 tosses for 58 yards in the Normal game.

Freshman end Lou Kahlenbeck, Newton, Mass., made his debut at end, catching four passes for 40 yards. The 6-1, 180-pound youngster had been sidelined with a broken bone in his foot.

Big Bob Ems, Fisher Junior, returned to his old pre-service form, blasting 54 yards in eight tries, and Joe Yusko, West Frankfort sophomore, picked up 39 yards on eight carries. Capt. Jack Schneider, Glen Carbon Junior, moved for 45 yards on nine trips.

The contest will be the 23rd renewal of a rivalry that has seen Northern win 15 times, Southern 6 and one tie.

Dodgers to Recall Joe Black

BROOKLYN (AP) — Joe Black, who pitched the Brooklyn Dodgers to a pennant in 1952 but flopped in 1953, has done well enough in the minor leagues to earn "another chance," a Dodger official said today.

The 30-year-old Negro right-hander has been told to rejoin the Dodgers at Vero Beach, Fla., next year for spring training after pitching during the past season for Montreal of the International League.

"Black's record with Montreal gives us sufficient basis to believe that he has regained the confidence which he lost here in 1953," said Dodger Vice President Fresno Thompson.

Black had a record of 12 victories and 10 defeats with Montreal — a not overpowering mark which Thompson admitted was "somewhat puzzling."

"He was either outstandingly good or very bad in every game he pitched," explained Thompson. "He never pitched a mediocre game."

Conley is Braves' First Holdout

BOSTON (AP) — Even before the Milwaukee Braves could count their profits from a record-breaking 1954 season, they definitely could count on Gene Conley being their first holdout for next season.

"Because the Braves offered me such a ridiculously low contract,

DIMAGGIO IS OUT—Film star Marilyn Monroe and Joe DiMaggio, shown here at the time of their San Francisco marriage ten months ago, have separated. Marilyn's attorney said there is no hope for a reconciliation and she has filed for a divorce in California, charging mental cruelty.

Picking the Grid Winners IN THE Sport Parade

By OSCAR FRALEY
United Press Sports Writer

NEW YORK (AP) — Oscar Fraley's Folies and the weekend football "winners" — along with a few other thoughts thrown in for free.

Game of the Week

Oklahoma over Texas—This will be an earth-shaker in the Southwest and the line play should be magnificent. But the Sooners have a definite offensive edge which should make the winning difference.

The East

Notre Dame over Pitt—Grid subs are sports' real unsung heroes.

Yale over Columbia — Ted Williams will play baseball in '55.

Army over Dartmouth — Let's hope free substitution never comes back.

Penn State over Virginia—1 can throw a golf club farther than any man alive.

Also: Princeton over Penn. Cornell over Harvard Fordham over Boston University, Boston College over VMI, Brown over Rhode Island, Bucknell over Lehigh, and Colgate over Rutgers.

The Midwest

Purdue over Duke—The SPCC should investigate the Giants.

Wisconsin over Rice — Athletes who eat too much soon are ex-athletes.

Missouri over SMU—Track stars are the greatest hypochondriacs.

Ohio State over Illinois—It takes more skill to drive safely in NYC than to win the Indianapolis 500.

Also: Iowa over Michigan, Michigan State over Indiana, Minnesota over Northwestern, Kansas over Iowa State, Nebraska over Kansas State and Cincinnati over Marquette.

The South

Mississippi over Vanderbilt—I'd rather be a pauper than a catcher.

Georgia Tech over LSU—Basketball's whistle-blowing drives me crazy.

North Carolina over Georgia—Walkers "send" me more than Abbott and Costello.

Alabama over Tulsa—Al Lopez is one of the nicest guys you'll ever meet.

Also: Auburn over Kentucky, Florida State over Villanova, Maryland over Wake Forest, Tennessee over Chattanooga, W&M over North Carolina State, Florida over Clemson, Mississippi State over Tulane, Miami over Holy Cross, South Carolina over Furman and West Virginia over George Washington.

The West

UCLA over Washington — Fight managers get more for less than anybody in sports.

Southern Cal over TCU—I often wonder what happened to the "Gazelle Boy."

Stanford over Navy — There should be a national sportsmanship award.

California over Oregon — I get seasick every time I go fishing.

Also: COP over Idaho, Wyoming over Colorado Aggies, Utah over Brigham Young and Denver over Montana.

The Southwest

Arkansas over Baylor — The Yanks and Dodgers will be in the '55 series.

Texas Aggies over Houston — College cheerleaders always make me feel like an old man.

Also: Texas Tech over Texas Western, North Texas State over Hardin Simmons, Arizona Tempe over San Jose State and Colorado over Arizona.

Fight Results

By United Press

MIAMI BEACH, Fla. — Charlie Salas, 151, Phoenix, Ariz., outpointed Chico Varona, 150, Havana, Cuba (10).

BOSTON — Tommy Tibbs, 130½, Boston, knocked out Harold Gaines, 127½, Providence, R. I. (9).

SACRAMENTO, Calif. — Lauro Salas, 129, Mexico City, stopped Gil Velarde, 129, Los Angeles (9).

SEATTLE — Pat McHugh, 175, 188, Tacoma, Wash., knocked out Gene Eriksen, 192, Sandpoint, Idaho (2).

For 1955 that I won't sell until they meet my price — what I think I'm worth, said the 6-foot 8-inch Conley who has signed a contract to play professional basketball for the Boston Celtics this winter.

Unbeaten Eagles, Benton Clash Friday Night

Unbeaten Eldorado and once-beaten Benton will clash on the Benton gridiron Friday night in one of the top football games on the southern Illinois schedule.

Pre-season dopesters wouldn't have figured the Eagles from Eldorado to enter their fourth game of the season unbeaten, but the Eagles have started and won three times. Victories have been taken from Anna, Metropolis and Harrisburg.

Benton was touted early as a power in local-area football circles and the Rangers have gone along according to form — even though they have once tasted defeat.

The one loss was to powerful Centralia and in defeat Benton held the high-scoring Orphans to the most respectable point spread of this early season.

Benton's victories were over Carmi 12-7 and Marion 27-6. The loss, to Centralia, was by a 32-13 score, a spread of 19 points. No one else has done as well, indicating that in defeat Benton still played a good ball game.

With Benton living up to advance notices, it has been a case of the Eagles pleasantly surprising their fans.

This was supposed to be the year to rebuild at Eldorado as Coach Al Adams had only seven lettermen in the group reporting for practice, and three of these boys had seen only limited service with the varsity. However these seven letter winners, plus a fine group from the 1953 freshman-sophomore squad have played championship ball to date.

The Benton team is coached by Ralph Davison, exponent of the single-wing, power type of play. Adams at Eldorado uses the T-formation, depending on quick opening line play and sleight-of-hand ball handling in the backfield.

On paper it looks like quite a ball game.

DiMaggio-Monroe Fan Clubs Sever Joint Relationships

NEW YORK (AP) — The Brooklyn chapters of the Joe DiMaggio and Marilyn Monroe fan clubs, which consolidated when the popular couple married, severed joint relationships Tuesday.

Optimism is derived from the white poppy.

**First Christian Loyal
Daughters Hold Meeting**
The Loyal Daughters class of the
First Christian church met Tues-
day evening in the fellowship hall
of the church for the regular meet-
ing.

The meeting was opened with
prayer by the teacher, Miss Bess
Pemberton, and the devotion was
led by Mrs. Clyde Lightfoot who
talked on the subject "Gratitude."

A short business session was di-
rected by Mrs. Gladys Parker.

Cards and letters were sent to
shut-ins and members away at
work.

Others present were Florence
Roberson, Blanche Williams, Ora
Denny, Laura Rice, Marguerite
Smith, Myrtle Adams, Ruth
Thompson, Nancy Harris, Fern
Johnson and the hostess for the
evening, Mrs. Zola Y. Sloan, who
served pumpkin pie and coffee.

The next meeting will be a pot-
luck supper in November.

**Announce Marriage of Miss
Ruby Sheldon, Pfc. Bill Justice**
Announcement is being made of
the marriage of Miss Ruby A.
Sheldon, daughter of Mrs. Ethel
Sheldon, and Pfc. Bill W. Justice,
son of Mr. and Mrs. Morrison Jus-
tice.

The simple wedding ceremony
was performed in the presence of
a few relatives and friends by Rev.
L. L. Gullett Sept. 21 at 7:30 p. m.
at the home of the bride's par-
ents.

Mr. and Mrs. Donald Raymer
were the only attendants.

The bride is employed at the
Harrisburg hospital and is living
with her family at present while
the bridegroom is stationed at Fort
Belvoir, Va., where he will be for
18 months.

**Buena Vista Home Bureau -
Unit Meets With Maxine Belt**
The members of the Buena Vista
Home Bureau unit met Friday af-
ternoon at the home of Maxine Belt.
Eleven were present to learn "The
Correct Use of the Sewing Ma-
chine" and "How to Garnish
Meats."

Afterwards the topic reports were
given by each of the officers.
Refreshments of sandwiches,
cakes and candy were served to
the following: Mildred Smith, Lois
Buchanan, Nell Denny, Ruth Pick-
ford, Julia Mae Dunn, Marie Horn,
Madeline Horn, Barbara McCon-
nell and daughter, Kathy Nell, Bob-
by Dodd and daughter, Nancy
Ann, Mary Hollerson and the hos-
tess, Maxine Belt, and daughter,
Wanda Irene.

Mrs. Eunice Reynolds of this city
and her sister, Mrs. Hughie Rieve-
ly, Dudley, Mo., who had not been
together for 20 years, were reunited
Saturday, when Mrs. Rievely
and children, Della Pearl, Retta and
Bethel, came from Dudley and
spent the day at the Reynolds
home. Also present were their
niece, Mrs. Roy Brown and chil-
dren, Paulette, Kenny and Carolyn,
Galatia. The two sisters went to
Galatia Sunday to spend the day
at the Brown home.

**Announce Wedding at Galatia of
Miss Anita Malone and Rev. Buddy Peyton**

(Ronnie's Studio Photo)
Rev. and Mrs. Buddy Peyton

Announcement is being made of
the July 11 wedding of Miss Anita
Malone, daughter of Mr. and Mrs.
Howard Malone, Galatia, and Rev.
Buddy Peyton, son of Mr. and Mrs.
Bud Peyton, Galatia. The double
ring ceremony took place at 2 p.
m. in the Methodist church in Ga-
latia with the Rev. Bill Sims of-
ficiating.

The altar was adorned with bas-
kets of white gladioli and greenery.
The bride, given in marriage by
her father, wore a ballerina length
gown of white organdy eyelet. Her
fingertip veil was secured to a
crown of pearls. She carried on a
white ribbon a bouquet of lily of
the valley.

Miss Joanne Miner was maid of
honor, wearing a ballerina length
gown of blue organdy and carrying
a bouquet of blue carnations.

Misses Helen Phillips and Lo-
retta Gray were bridesmaids. Miss
Phillips wore an orchid organdy
gown and carried a bouquet of or-
chid carnations, and Miss Gray
wore a yellow organdy gown and
carried a bouquet of yellow carna-
tions.

Bob Deckert was best man, and
Ronnie Gray, Rev. Bob Edwards,
Art Hill and Gene Fletcher were
ushers.
Don Grant sang "Always," "Be-

Buena Vista Methodist
Loyal Workers' Class
Has Wiener Roast

The Loyal Workers' class of the
Buena Vista Methodist church re-
cently held a meeting and wiener
roast at Karel park.

The meeting opened with prayer
by Mrs. Bill Hughes, and the de-
votion was given by the president,
Mrs. A. W. Wagner.

After the business session the
group enjoyed singing several songs,
after which they were dismissed
for the wiener roast.

Present were Mrs. Tess Rogers,
Mrs. A. W. Wagner, Mrs. Bill
Hughes, Mrs. Gail Denny, Mr. and
Mrs. Emmitt Buchanan, Mr. and
Mrs. John Blue, Mr. and Mrs. Ley
Hubbard, Mrs. Harold McConnell,
Mrs. Wayne Smith, Charles Lee
Buchanan, Michael Blue, Kathy
McConnell, Dorothy Ann, Kenneth
Dale and Alice Faye Smith.

Mr. and Mrs. Charles Dewey
Observe 56th Anniversary
Mr. and Mrs. Charles A. Dewey,
107 East Gaskins, are observing
their 56th wedding anniversary to-
day.

They were both born and raised
in Harrisburg and have one son,
Aud Dewey.

Only three persons who attended
their wedding are living today.
They are Mrs. Dewey's brother, J.
D. Weaver of Newport, Ark., her
sister, Mrs. Cora Robertson, St.
Louis, Mo., and B. A. Trout of
Carrier Mills.

Cocoanut cake and coffee, which
was a rare treat in those days, were
served at the reception following
the wedding.

Mr. and Mrs. W. D. Hill of Pon-
tiac, Mich., are vacationing with
his parents in Dudley, Mo., and
with her aunt, Mrs. Earl Hancock,
in Carrier Mills. Mr. Hill is the
former Mary Lebo of Carrier Mills.

Mr. and Mrs. Jess J. Moore and
daughter, Marilouise, and Miss
Olive G. Dean of Harrisburg re-
turned Monday evening from a
week end visit in Indianapolis,
Ind., with relatives, the families
of Wilbur McMeins and Leroy Kiel-
horn. They returned by way of
Brown County State Park, Ind.,
one of nature's beauty spots in the
state. They also visited the
George Rogers Clark memorial in
Vincennes, Ind.

Crown Queen At Veiled Prophet Ball

ST. LOUIS — Miss Barbara
Anne Whittemore was crowned
Queen of Love and Beauty
by his mysterious majesty, the
Veiled Prophet, at the 71st Veiled
Prophet Ball here Tuesday night.

Some 10,000 persons were on
hand as Miss Whittemore, daugh-
ter of Mr. and Mrs. Clinton L.
Whittemore Jr., of Ladue, re-
ceived the platinum crown from
the mythical monarch.

The coronation climaxed the
time honored ball.

Tonight, weather permitting, a
procession of 200 colorfully
decorated floats will parade through the
city with the Monarch of Khorasan in
the lead float. He will be followed
by his new queen and her maid-
of honor.

The floats will be based on
municipal opera themes and will
begin their procession at 7:05 p. m.

Frey Asks Change Of Venue from Trial at Marion

MARION, Ill. — Luther Frey,
35, Marion, awaiting trial on
charges of robbery and being a
habitual criminal, has asked for
a change of venue and a trial se-

parate from that of a man also
indicted for the robbery.

Frey filed petitions here Tuesday
seeking the changes in his trial
scheduled for Oct. 18. A grand jury
indicted him and Howard Lannom
Sr. in May on a robbery charge
and at the same time indicted Frey
for being a habitual criminal.

Frey's petitions claimed he would
not get a fair trial here because
Williamson county residents had
been prejudiced by newspaper stor-
ies about his past arrests and trials
and that Circuit Judge Ross Rey-
nolds, Vienna, was prejudiced in the
case.

Frey asked he be tried apart
from Lannom on grounds that he
believed Lannom confessed the ro-
bbery and implicated Frey although
Frey claims no knowledge of the
crime.

Hurricane Rages Into Caribbean

MIAMI — A hurricane with
winds of 95 miles per hour raged
into the Caribbean Sea with in-
creasing intensity today on a
course aimed toward the Domini-
can Republic and Haiti.

The whirling, eighth major tropi-
cal storm of the year, headed into
open sea from waters of the Wind-
ward Islands in the eastern Carib-
bean at about 15 miles per hour.

A navy hurricane-hunter plane
from San Juan, P. R., kept a night-
long radar vigil on hurricane
Hazel, named for the eighth letter
of the alphabet, and was to fly
into the eye of the tempest at
daybreak.

The Weather Bureau at San Juan
estimated its location early today
at about 460 miles south-southeast
of San Juan and said it was trav-
eling a west-northwest course.

AF to Review Conviction of Illinois Officer

CHICAGO — An Air Force
board has granted the state of
Illinois' request to review the con-
viction of a lieutenant on charges
of ordering a Korean civilian shot.
The Air Force Board of Review
decision, revealed Tuesday, ended
a long battle by Brookfield, Ill.,
friends of Lt. George C. Schreiber
and by state officials.

The Board of Review agrees to
re-consider only about one of 2,000
appeals, Illinois Atty. Gen. Latham
Castle said.

Lt. Schreiber, a popular Brook-
field school teacher before the Ko-
rean war, was originally sentenced
in Korea to life imprisonment on
charges that he ordered military
police to shoot a Korean who had
trespassed into an ammunition
dump.

His sentence was later changed
to five years and he is now serving
his term at the disciplinary bar-
racks at Camp Cooke, Calif.

Illinois Gov. William Stratton be-
came interested in the case follow-
ing appeals from Brookfield resi-
dents. At his orders Greenville
Beardsley, first assistant attorney
general, was active in an appeal
for review made last April 12.

Stratton also ordered Castle to
serve as special defense counsel
for Schreiber. Military authorities
said they believed it was the first
time an attorney general has acted
in such a case.

Beardsley said he and Castle
would go to Washington within 10
days to confer with Air Force of-
ficers and would file the state's brief
Nov. 2. Oral arguments will prob-
ably begin next January, he said.

Adult Class in Beginning Typing to Begin at Ridgway

Registration for a class in Be-
ginning Typewriting, offered by the
Southern Illinois University Tech-
nical and Adult Education Division
and the Ridgway high school, will
be held at the high school building
in Ridgway at 7 p. m. Thursday.

An adult evening class, it is be-
ing offered for persons who have
had no instruction or experience in
typewriter use. In the course per-
sons will learn to operate a type-
writer and type accurately, gain-
ing a speed of at least 20 words
per minute.

The class will meet each Thurs-
day from 7 to 9:30 p. m. at the
high school for 12 weeks. Tuition
is \$6 plus a nominal charge for
textbook material. Additional in-
formation may be obtained by call-
ing James O. Austin, high school
principal.
